Henry First A Story Of Excess:

Henry First Basil Lawrence, 2014-06-01 When Henry First enters his restaurant in a competition that he cannot win only a miracle or a chance discovery can save him Henry First is a darkly funny and multi layered novel a fast paced story where people do despicable things to one another all in the service of a jolly good meal **Excess in Modern Irish Writing**

Michael McAteer, 2020-03-14 This book examines the topic of excess in modern Irish writing in terms of mysticism materialism myth and language The study engages ideas of excess as they appear in works by major thinkers from Hegel Kierkegaard and Marx through to Nietzsche Bataille Derrida and more recently Badiou Poems plays and fiction by a wide range of Irish authors are considered These include works by Oscar Wilde W B Yeats G B Shaw Patrick Pearse James Joyce Sean O Casey Louis MacNeice Samuel Beckett Elizabeth Bowen Roddy Doyle Seamus Heaney Marina Carr and Medbh McGuckian The readings presented illustrate how Matthew Arnold's nineteenth century idea of the excessive character of the Celt is itself exceeded within the modernity of twentieth century Irish writing **The Twentieth-Century World of Henry**

James Adeline R. Tintner, 2000-05-01 Conventional analyses of Henry James conclude with the completed novels of the major phase and the revisions of the New York Edition 1907 1909 However James lived on to write vigorously for nearly a decade longer In this compelling study Adeline R Tintner perhaps the foremost living James scholar focuses her expertise on the writer's final years exploring how his work developed and how his ideas changed in response to events in the twentieth century As Tintner illustrates despite his age and the long career behind him James heralded in his later works the modernism that would be most fully represented by Joyce Eliot and Proust The twentieth century came to life for James during his long delayed visit to America in 1904 and 1905 This trip resulted in his critical look at his native country The American Scene 1907 a book Tintner argues is only now beginning to be appreciated The trip also revitalized his review of his body of work in the famed New York Edition Tintner explores James's revisions of his earlier novels especially of Roderick Hudson The American and most important the retouched Portrait of a Lady in which he refined Isabel Archer's aesthetic tastes to match his own She also reads James's late autobiographical writings as a form of experimental fiction that would be the hallmark of twentieth century modernism Indeed Tintner explains that James's final writings demonstrate how he thoroughly embraced the new century and anticipated several of the chief ideas that would dominate modern literature He reacted to the new economy and to the preoccupation with money in his unfinished novel The Ivory Tower explored the idea of the interaction between historical time and the present with his uncompleted The Sense of the Past and expressed concern with the deprivation of culture among the lower middle classes The flying machine the cinematograph and the Kodak entered his twentieth century vocabulary and he parodied his own usurping consciousness in his Monologue for Ruth Draper James even relaxed his treatment of sexuality as is apparent in his suggestion of autoeroticism in The Figure in the Carpet and in what seems to be a description of the gay scene in The Sacred Fount He became a propagandist during World War I devoting

the end of his career to urging American entry into the conflict His last published writings before he died of a stroke on February 28 1916 were emotional tributes to casualties of the war A fitting finale to Tintner s five astonishing works on the world of Henry James The Twentieth Century World of Henry James will stand as one of the most significant volumes on the writer s last years Through an amazing excavation of James s life and work Tintner uncovers many of the modernist themes that preoccupied him as he entered the new century and that in turn were to preoccupy many of the writers who came to maturity in the first half of the twentieth century *Massachusetts Year Book and City and Town Register* ,1907 Containing a complete list of cities and towns and their officers population valuation debt tax note election returns National and state governments courts banks insurance companies newspapers hotels professional directory with an up to date map of the state

Massachusetts Year Book ,1907 Containing a directory of public officials including state county city and town officers their salaries and terms of office legislative bodies political organizations court calendar post offices and postal information banks newspapers a general gazetter of the state county maps etc **Psychology in the Fiction of Henry James**

Teckyoung Kwon,2024-04-15 Psychology in the Fiction of Henry James Memory Emotions and Empathy focuses on the study of consciousness also examines new ways to read fiction from a scientific perspective one that draws upon early psychological theories and recent neuroscientific research Freud and William James stand together as intellectual pioneers who contributed to our understanding of the revolutionary concept of consciousness Meanwhile Henry James devoted his life to the development of narrative methods that would extend the realm of Realism a pursuit that led him to draw upon consciousness and experience alike When examining these three figures the key components of consciousness that they shared in common turn out to be memory emotions and empathy This volume deals with theoretical works on those three concepts by the works of Freud William James and recent neuroscientists as well as two narrative techniques Henry James devised to represent consciousness ghosts and Free Indirect Discourse Additionally this book is an analysis of Henry s major fictions to show how those scientific terms have been used to achieve a fresh reading of his novels Overall this volume demonstrates that the three components are elements in the dual aspect monism that Freud proposed earlier **Exchange**
