Here I Am Reflections On The Ordained Life:

Here I Am Richard Giles, 2013-01-25 Exploring almost every aspect of priestly life this book is useful for those contemplating their vocation and those celebrating decades in the ministry It focuses on serving and shepherding proclaiming watching searching and guiding declaring forgiveness making disciples unfolding the Scriptures and supporting and defending The Art of Tentmaking Stephen Cottrell, 2012 An illustrious line up of contributors share their insights on essential aspects of liturgical renewal Writing in honour of worship pioneer Richard Giles they consider participation simplicity inclusivity sacraments and more A key text for all responsible for shaping Christian assembly **Imaging the Story** Karen Case-Green, Gill C. Sakakini, 2017-05-08 Tell all the Truth but tell it slant Emily Dickinson This course follows the contours of the salvation story through the lens of the arts Putting visual art and poetry in conversation with the Bible it seeks to engage the imagination Rather than analyzing the narrative the reader is invited to behold it and respond to it through making either verbally or visually At times the church has treated the imagination like an embarrassing relative Yet the Bible is image rich drawing widely on the imagination and we are each made in the image of the creator God It is time to bring the imagination out of the corner For we are God's handiwork created in Christ Jesus to do good works which God prepared in advance for us to do Eph 2 10 NIV Whether following it as a group or reading it alone this course book will appeal to anyone with an interest in the salvation story and the arts It is particularly for those who feel permission is needed to pick up a paintbrush or any other creative medium just for the love of it **Times and Seasons**, Giles gift to the church is his ability to link how church buildings look and *Unlocking the Church* William Whyte, 2017-10-06 The Victorians built tens of thousands of churches in the hundred years between 1800 and 1900 Wherever you might be in the English speaking world you will be close to a Victorian built or remodelled ecclesiastical building Contemporary experience of church buildings is almost entirely down to the zeal of Victorians such as John Henry Newman Henry Wilberforce and Augustus Pugin and their ideas about the role of architecture in our spiritual life and well being In *Unlocking the Church* William Whyte explores a forgotten revolution in social and architectural history and in the history of the Church He details the architectural and theological debates of the day explaining how the Tractarians of Oxford and the Ecclesiologists of Cambridge were embroiled in the aesthetics of architecture and how the Victorians profoundly changed the ways in which buildings were understood and experienced No longer mere receptacles for worship churches became active agents in their own rights capable of conveying theological ideas and designed to shape people's emotions These church buildings are now a challenge their maintenance repair or repurposing are pressing problems for parishes in age of declining attendance and dwindling funds By understanding their past unlocking the secrets of their space there might be answers in how to deal with the legacy of the Victorians now and into the future **The Works of the Rev.
