

Hallelujah

Words & Music by Leonard Cohen

Intro

| C G ||

Verse 1

Now I've heard there was a secret chord
 That David played, and it pleased the Lord
 But you don't really care for music, do you?
 It goes like this: the fourth, the fifth,
 The minor fall, the major lift,
 The baffled king composing Hallelujah.

Chorus 1

Hallelujah, Hallelujah, Hallelujah,
 Hallelu - jah.

Verse 2

Your faith was strong but you needed proof,
 You saw her bathing on the roof:
 Her beauty and the moonlight overthrew you.
 She tied you to a kitchen chair,
 She broke your throne, and she cut your hair
 And from your lips she drew the Hallelujah.

World's Greatest Gospel Songs Jerry Ray, 2003. *World's Greatest Gospel Songs* contains some of the most uplifting, powerful, and emotionally charged songs of all time. Each piece has been carefully arranged with a very accessible approach and features a vocal line for solo or group singing, an appropriately selected key to accommodate a comfortable vocal range up to three verses of lyrics, first and second endings with a turnaround, plus a final ending, guitar chords, dynamics, a piano accompaniment that is complete in itself for solo performance.

Jacobs' Band Monthly, 1928. *Debatable Space* Philip Palmer, 2009-05-30. Flanagan, who is for want of a better word a pirate, has a plan. It seems relatively simple: kidnap Lena, the Cheo's daughter, demand a vast ransom for her safe return, sit back and wait. Only the Cheo, despotic ruler of the known universe, isn't playing ball. Flanagan and his crew have seen this before, of course, but since they've learned a few tricks from the bad old days and since they know something about Lena that should make the plan foolproof, the Cheo's defiance is a major setback. It is a situation that calls for extreme measures. Luckily, Flanagan has considerable experience in this area.

Another Song for Europe Ivan Raykoff, 2020-11-29. The Eurovision Song Contest is famous for its camp spectacles and political intrigues, but what about its actual music? With more than 1,500 songs in over 50 languages and a wide range of musical styles, since it began in 1956, Eurovision features the most musically and linguistically diverse song repertoire in history. Listening closely to its classic fan favorites but also to songs that scored low because they were too different or too far ahead of their time, this book delves into the musical tastes and cultural values the contest engages through its international reach and popular appeal. Chapters discuss the iconic fanfare that introduces the broadcast, the supposed formulas for composing successful contest entries, how composers balance aspects of sameness and difference in their songs, and the tension between national genres of European popular music and musical trends beyond the nation's borders, especially the American influences on a show that is supposed to celebrate an idealized pan-European identity. The book also explores how audiences interact with the contest through musicking experiences that bring people together to celebrate its sounds and spectacles. What can seem like a silly song and dance show offers valuable insights into the bonds between popular music and cosmopolitan values for its many followers around the world. From dance parties to flash mobs, parodies to plagiarisms and orchestras to artificial intelligence, *Another Song for Europe* will be of particular interest to Eurovision fans.
