Continuing Teacher Education gives details of two Additional Basic Qualification ABQ courses to teach in the Ontario Canadian school education system. The book is divided into two parts: in Part One it deals with the English Course for the Senior Division and in Part Two it addresses Special Education. Part One, each part comprised of six modules. In these intense but compact courses, each component of every module had clear instructions. The modules cover multiple topics and contain curriculum documents, a course syllabus, short research papers, dimensions of social media, Special Education Policy, strategies to address behavioural exceptionalities, a structured learning environment, individual education plans (IEPs), lesson sharing, learning case studies, and a lesson plan template.
