Scaff, Dr. Sam Whimster, 2019-12-04 Active at the time when the social sciences were founded Max Weber's social theory contributed significantly to a wide range of fields and disciplines Considering his prominence it makes sense to take stock of the Weberian heritage and to explore the ways in which Weber's work and ideas have contributed to our understanding of the modern world Using his work as a point of departure The Oxford Handbook of Max Weber investigates the Weberian legacy today identifying the enduring problems and themes associated with his thought that have contemporary significance the nature of modern capitalism neo liberal global economic policy nationalism religion and secularization threats to legality the culture of modernity bureaucratic rule and leadership politics and ethics the value of science power and inequality These problems are global in scope and the Weberian approach has been used to address them in very different societies Thus the Handbook also features chapters on Europe Turkey Islam Judaism China India and international politics The Handbook emphasizes the use and application of Weber's ideas It offers a journey through the intellectual terrain that scholars continue to explore using the tools and perspectives of Weberian analysis The essays explore how Weber's concepts hypotheses and perspectives have been applied in practice and how they can be applied in the future in social inquiry not only in Europe and North America but globally The volume is divided into six parts exploring in turn Capitalism in a Globalized World Society and Social Structure Politics and the State Religion Culture and Science and Knowledge The Routledge International Handbook of C. Wright Mills Studies Jon Frauley, 2021-09-22 The Routledge International Handbook of C Wright Mills Studies brings together leading scholars of the work of radical sociologist C Wright Mills to showcase its impact across the social sciences Showing how Mills thought can be taken up and in some cases sympathetically reformulated to tackle problems of power and politics it presents an authoritative state of the art overview of

Mills groundbreaking ideas and his far reaching theoretical and methodological impact Crucially the volume also illustrates the value of thinking with Mills in addressing the complexities of contemporary capitalist democracies As such it will appeal to scholars of sociology anthropology organization studies peace and conflict studies criminology politics and public administration Peace and Conflict Studies Anindya Jyoti Majumdar, Shibashis Chatterjee, 2020-08-09 This volume explores how we theorize politicize and practice peace and conflict discourses in the social sciences As concepts peace and conflict are intricately interwoven into a web of complementary discourses where states and other actors are able to negotiate deliberate and arbitrate their differences short of the overt and covert use of physical violence The essays in this volume reflect this eclecticism they reflect on concerns of contemporary conflicts in world politics the dissection of the ideas of peace and power the way peace studies join with global agencies peace and conflict in connection to geopolitics and identity the domestic basis of conflict in India and the South Asian theatre including class social cleavages and gender Further they also process elements like globalization media communication and films that help us engage with the popular tropes and discursive construction of the reality that play critical roles in how peace and violence are articulated and acted upon by the elites and the masses in societies This volume will be of great interest to scholars and researchers of political science international relations theory peace and conflict studies public policy and area studies It will also be a key resource for bureaucrats policy makers think tanks and practitioners working in the field of international relations Leadership and the Northern Ireland Peace Process C. Gormley-Heenan, 2006-11-14 By providing a critical interpretation of political leadership during the Northern Ireland peace process Gormley Heenan shows the leadership lens offers insights not offered by conventional analyses of peacemaking processes The book discusses the confusions contradictions and chameleonic nature of leadership and its role capacity and effect A Handbook of English Renaissance <u>Literary Studies</u> John Lee, 2017-11-06 Provides a detailed map of contemporary critical theory in Renaissance and Early Modern English literary studies beyond Shakespeare A Handbook of English Renaissance Literary Studies is a groundbreaking guide to the contemporary engagement with critical theory within the larger disciplinary area of Renaissance and Early Modern studies Comprising commissioned contributions from leading international scholars it provides an overview of literary theory beyond Shakespeare focusing on most major figures as well as some lesser known writers of the period This book represents an important first step in bridging the divide between the abundance of titles which explore applications of theory in Shakespeare studies and the relative lack of such texts concerning English Literary Renaissance studies as a whole which includes major figures such as Marlowe Jonson Donne and Milton The tripartite structure offers a map of the critical landscape so that students can appreciate the breadth of the work being done along with an exploration of the ways in which the treatments of or approaches to key issues have changed over time Handbook of English Renaissance Literary Studies is must reading for undergraduate and postgraduate students of early modern and

Renaissance English literature as well as their instructors and advisors Divided into three main sections Conditions of Subjectivity Spaces Places and Forms and Practices and Theories A Handbook of English Renaissance Literary Studies Provides an overview of theoretical work and the theoretical informed competencies which are central to the teaching of English Renaissance literary studies beyond Shakespeare Provides a map of the critical landscape of the field to provide students with an opportunity to appreciate the breadth of the work done Features newly commissioned essays in representative subject areas to offer a clear picture of the contemporary theoretically engaged work in the field Explores the ways in which the treatments of or approaches to key issues have changed over time Offers examples of the ways in which the practice of a theoretically engaged criticism may enrich the personal and professional lives of critics and the culture in which such critical practice takes place Sport and Peace-Building in Divided Societies John Sugden, Alan Tomlinson, 2017-09-14 Sport is a cultural institution that stands at the interface between political and civil society In divided communities sport has been an agent of separation sectarian hatred and violence but also a highly effective tool for conflict resolution reconciliation and peace building In this important study John Sugden and Alan Tomlinson draw on their extensive international experience of working with divided communities to develop a methodological and theoretical model for peace building in sport The book showcases original case studies from three regions of the world in which sport has played a prominent role in social deconstruction and reconstruction Northern Ireland Israel Palestine and South Africa Combining a wealth of primary and secondary data the authors chart the rise of the contemporary Sport for Development and Peace movement SDP and outline an important new practice based framework for understanding researching and working to achieve positive social change in the SDP sector This is essential reading for any student researcher or practitioner with an interest in the sociology of sport sport development international development peace studies or conflict resolution on Earth Thomas Matyók, Maureen Flaherty, Hamdesa Tuso, Jessica Senehi, Sean Byrne, 2013-12-16 Peace on Earth The Role of Religion in Peace and Conflict Studies provides a critical analysis of faith and religious institutions in peacebuilding practice and pedagogy The work captures the synergistic relationships among faith traditions and how multiple approaches to conflict transformation and peacebuilding result in a creative process that has the potential to achieve a more detailed view of peace on earth containing breadth as well as depth Library and bookstore shelves are filled with critiques of the negative impacts of religion in conflict scenarios Peace on Earth The Role of Religion in Peace and Conflict Studies offers an alternate view that suggests religious organizations play a more complex role in conflict than a simply negative one Faith based organizations and their workers are often found on the frontlines of conflict throughout the world conducting conflict management and resolution activities as well as advancing peacebuilding initiatives
The Oxford Handbook of Global Policy and **Transnational Administration** Diane Stone, Kim Moloney, 2019-01-10 Global policy making is unfurling in distinctive ways above traditional nation state policy processes New practices of transnational administration are emerging inside

international organizations but also alongside the trans governmental networks of regulators and inside global public private partnerships Mainstream policy and public administration studies have tended to analyse the capacity of public sector hierarchies to globalize national policies By contrast this Handbook investigates new public spaces of transnational policy making the design and delivery of global public goods and services and the interdependent roles of transnational administrators who move between business bodies government agencies international organizations and professional associations This Handbook is novel in taking the concepts and theories of public administration and policy studies to get inside the black box of global governance Transnational administration is a multi actor and multi scalar endeavour having manifestations depending on the policy issue or problems at the local urban sub regional sub national regional national supranational supra regional transnational international and global scales These scales of local and global are not neatly bounded and nested spaces but are articulated together in complex patterns of policy activity. These transnational patterns represent a reinvigoration of public administration and policy studies as the Handbook authors advance their analysis beyond the methodological nationalism of the nation state **Routledge Handbook of Childhood Studies and Global Development** Tatek Abebe, Anandini Dar, Karen Wells, 2024-08-28 The Routledge Handbook of Childhood Studies and Global Development explores how global development agendas and processes of economic development influence children's lives It demonstrates that children are not only the frequent targets or objects of development but that they also shape and influence processes of economic political and sociocultural development The handbook makes the case for the importance of placing children at the heart of development debates and demonstrates how researchers policymakers and practitioners can engage children in development Through reports on field research as well as a critical engagement with theories in development studies and childhood studies contributors contest normative assumptions about childhood and global development They tease out and tease apart the complex social historical cultural economic epidemiological ecological geopolitical and institutional processes transforming what it means to be young in the world today Showcasing research from both established scholars and early career researchers and with particular prominence given to the work of authors from the global south this book will be an essential reference for policymakers practitioners and for researchers and students across childhood studies education geography sociology and global development The ABA Guide to International Business Negotiations James R. Silkenat, Jeffrey M. McCleary, 2011-01-27 In this Handbook leading scholars demonstrate the application of the economics of religion approach to topics on human capital the state regulation of religion economic aspects of religion and how religious markets function The chapters also provide a discussion of new data sets and methods of measuring religious participation The Oxford Handbook of Pierre Bourdieu Thomas Medvetz, Jeffrey J. Sallaz, 2018 The Oxford Handbook of and beliefs Pierre Bourdieu examines the legacy of one of the most influential social thinkers of the last half century Taken together these writings offer a comprehensive overview of Bourdieu's biography his main theoretical ideas and his ongoing influence on the social sciences John W. Burton: A Pioneer in Conflict Analysis and Resolution David J. Dunn, Hans Günter Brauch, Pamela Burton, 2024-04-26 This book charts John W Burton's transition from practitioner in diplomacy to pioneer in the theory of peace research thinking on world society and conflict resolution Born in 1915 given his father's name it was assumed that he would follow his father and become a Christian missionary He did not he joined the Australian Public Service From a junior position he rose rapidly He was forthright and some found him irritating or worse He progressed to the highest levels of policy making Amidst some controversy he resigned abruptly in 1951 He then worked on his farm outside

Canberra writing avidly He did not intend to become an academic but in 1963 he was offered a position in International Relations at University College in London and he accepted He was key to the foundation of the International Peace Research Association IPRA in 1964 and of the Conflict Research Society in the UK because he thought that words and ideas were not enough there needed to be instruments of change Looking back he was in fact a secular missionary His aim Simple to change the world This book is an exploration of how conflict should be reinterpreted The ideas of his work are a product not of any metaphysical approach but of experience Burton knew the field Cold War diplomacy civil strife reforming organisations resistance to change He had been there and he found much to criticise This book illustrates what he had to offer and explains why These readings reveal shifts in his ideas cohering incrementally integrated into a new framework This book presents his pioneering and relevant work Transcending disciplinary boundaries it will be of interest to students as well as professionals who address conflict at all levels of society from family to state **Interreligious Curriculum for Peace Education in** Nigeria Isaiah Ekundayo Dada, 2019-04-18 Nigeria a country under a military regime for several years transitioned to a civilian regime in May 1999 Since this change violent conflicts between Christians and Muslims have continued to erupt They constitute one of the gravest dangers facing Nigeria a country with a population of 189 million people What have Nigerian religious leaders done about this situation especially in educational circles Have they received formal educational training to understand the causes of this violence and especially how to provide alternatives for more peaceful relations within Nigeria Does the current educational system in Nigeria provide the main ingredients for the promotion of a culture of peace The absence and neglect of interreligious peace education as part of a peace education core program and the lack of an interreligious curriculum for peace education in the training of religious leaders are the two problems contributing towards the lack of effectiveness of religious leaders in promoting less violent and more peaceful living The solution to the problem is proposed in this book entitled Interreligious Curriculum for Peace Education in Nigeria The book develops a one year curriculum building on Yoruba Islamic Christian conceptions of peace and teaches how to create safe caring spiritual peaceful and successful interfaith relationships between all Nigerian religious communities In the long term the book helps to educate religious leaders to contribute in themselves and with the help of their respective religious communities to reducing the growing religious violence in Nigeria
