Like a Hammer Shattering Rock Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven't paid due attention to the ones we already have in many cases we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus's apostles continue to resonate The Good Bishop Phyllis Theroux, 2013 An inspiring portrait of a bishop renowned for his qualities as a pastor a leader and a human being Walter F Sullivan retired in 2003 after twenty nine years as bishop of the Richmond Virginia diocese As one of the great generation of bishops appointed by Pope Paul VI he was famous for his pastoral leadership and his prophetic role as a champion of peace and social justice Guiding his flock through the tumultuous post Vatican II years he brought a human touch to his role reaching across boundaries to foster a spirit of ecumenism encouraging the gifts of the laity and reaching out to prisoners and those on the margins In the 1980s he acquired a national reputation as one of the leading peace bishops standing up against the climate of cold war and warning against the nuclear threat In this biography by renowned author Phyllis Theroux Bishop Sullivan emerges as a complex human being who struggled faithfully to lead the church with integrity compassion and love
