## **Like Riding A Bike On Learning As An Adult:**

*It'S Like Riding a Bike* David M. Schmittou, 2017-03-22 Since the enactment of No Child Left Behind and the more recent Every Child Succeeds Act you would think student achievement would be on the rise But SAT scores are dipping college and career readiness are at all time lows and parents are wondering whats gone wrong David M Schmittou Ed D a career educator seeks to find out why by asking a simple question Why do we have such a difficult time remembering what we learned in school and yet we never forget how to ride a bike something we learned when we were five or six Riding a bicycle requires fine motor controls concentration dexterity and balance but children can master the skill even before they enter school Students can learn academic subjects in the same fashion but it will require us to take a radical new approach to education one that requires learners to enter real world settings instead of classrooms separated from reality We can no longer afford to spend millions of dollars without seeing results Its time to bolster education for all by mastering the ideas and principles in *Its Like Riding a Bike* *Reflective Teaching in Further, Adult and Vocational Education* Margaret Gregson, Sam Duncan, Kevin Brosnan, Jay Derrick, Gary Husband, Lawrence Nixon, Trish Spedding, Rachel Stubley, Robin Webber Jones, 2020-05-14 The definitive textbook for reflective professionals in further adult and vocational education Now updated with the latest research the book offers extensive support for trainee and practising teachers in a variety of settings for both practice based training and career long professionalism Written by a collaborative author team of sector experts led by Maggie Gregson and Sam Duncan *Reflective Teaching in Further Adult and Vocational Education* offers two levels of support practical guidance for practitioner success with a focus on the key issues including planning and assessing learning and collaborative approaches to reflective practice evidence informed principles to aid understanding of how theories can effectively inform and develop teaching practices In addition to new case studies from a wider range of settings than ever before the new edition offers broader national and international coverage greater emphasis on work based learning and more ideas for exploring classroom communication and meeting a wider range of learner needs *Readings for Reflective Teaching in Further Adult and Vocational Education* directly compliments this book providing access to key texts working as a compact and portable library *reflectiveteaching.co.uk* provides a treasure trove of additional support including supplementary sector specific material for considering questions around society's educational aims **Sourcebook of Psychological Treatment Manuals for Adult Disorders** Michel Hersen, Vincent B. Van Hasselt, 2013-11-11 Here is a practical reference offering mental health professionals 16 state of the art methods for treating a variety of problems presented by outpatient and inpatient adult clients Supported by ample clinical illustrations each chapter offers sufficient information so that the respective methods can be replicated Problems include obsessive compulsive disorder depression schizophrenia and obesity The book also examines contemporary issues of accountability in treatment This handbook meets the needs of psychologists psychiatrists counselors social workers rehabilitation specialists and graduate students **Bodies of Knowledge:**

**Embodied Learning in Adult Education** Randee Lipson Lawrence, 2012-06-19 Explore the multiple ways adults learn through their bodies Embodied or somatic learning is a way of learning that relies on the body's knowledge Our most basic form of learning in childhood is preverbal however traditional schooling forces us to check our bodies at the door requiring us to sit at a desk and raise our hands focusing primarily on cognition to the exclusion of other ways of knowing By the time we reach adulthood being in our bodies is a foreign concept and a source of discomfort for many of us This volume challenges the dominant paradigm of how knowledge is constructed and shared Embodied learning is examined through a variety of practice contexts including higher education community education health care and the workplace and through multiple methods including dance theater and outdoor experiential education This is 134th volume of the Jossey Bass quarterly report series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to instructors administrators counselors and policymakers in a broad range of adult and continuing education settings such as colleges and universities extension programs businesses libraries and museums
