Limo Texas Tradition Series:

But Not for Love Edwin Shrake, 2000 This Texas Traditions Series reprint takes us back to the Lone Star State during the Cold War at the beginning of the 1960s The postwar generation is in a frenzy of high living and profligate spending Big Texas oil is still subsidized by a federal depletion allowance and cattle still account for much of the state's wealth But these longtime mainstays of Texas finance are giving way to transistors and computers A new millionaire class is growing up around business mergers and electronic technology The characters in Shrake's novel are caught in this brave new world in one way or another Some are the princes of prosperity others are victims of it This is a world of lobbyists merger lawyers small time politicians sons of oil money and the women who cheer them on or worry about their souls In the opening section of the novel we visit the Texas Gulf Coast and see the machinations of Sam Guthrie and Waddy Morris Jr as they attempt to take over a rival technology company Back in Dallas idealistic attorney Ben Carpenter moves to thwart the Guthrie Morris takeover Then we move to Fort Worth and attend the drunken party given in honor of Ben Carpenter's thirtieth birthday The party moved to Mexico on Cadmus Wilkins's bus where everyone has to confront his or her inner self And some are found wanting The several vignettes of the novel paint an accurate picture of Texas as it moves into the urban era and as its middle class began deserting the old verities and tasting what were once forbidden pleasures Shrake is a first rate stylist who knows how the upper half lives

The Limousine Liberal Steve Fraser, 2016-05-10 No political image in recent American history has enjoyed the impact of the limousine liberal It has managed to mobilize an enduring politics of resentment directed against everything from civil rights to women's liberation from the war on poverty to environmental regulation Coined in 1969 by New York City mayoralty candidate Mario Procaccino the term took aim at what he and his largely white lower middle class and blue collar following considered the repellent hypocrisy of well heeled types who championed the cause of the poor especially the black poor but who had no intention of bearing the costs of their plight The metaphor zeroed in on liberal elites who preferred to upset rather than defend the status quo not only in race relations but in the sexual moral and religious order and had little interest in looking after the needs of working people In The Limousine Liberal the acclaimed historian Steve Fraser argues that it is impossible to understand American politics without coming to grips with this image where it originated why it persists and where it may be taking us He reveals that the limousine liberal had existed in all but name long before Procaccino gave it one From Henry Ford decrying an improbable alliance of Jews bankers and Bolsheviks in the 1920s to the Tea Party's vehement hatred of Hillary Clinton the fear of the limousine liberal has stoked right wing populism for nearly a century Today it fuses together disparate elements of the conservative movement Sunbelt entrepreneurs on the rise blue collar ethnics and middle classes in decline heartland evangelicals and billionaire business dynasts have found common cause despite their real differences in shared opposition to liberal elites The Limousine Liberal tells an extraordinary story of why the most privileged and powerful elements of American society were indicted as

subversives and reveals the reality that undergirds that myth It goes to the heart of the great political transformation of the postwar era the rise of the conservative right and the unmaking of the liberal consensus **Texas Mustangs Baseball Special Edition Boxed Set** Roz Lee,2021-12-30 USA Today Bestselling Author Roz Lee has combined the prequel novella and the first four full length novels in the Mustangs Baseball Series in this Special Edition Boxed Set Free Agent prequel novella She s more than he bargained for Inside Heat Book 1 It s all fun and games until someone falls in love Going Deep Book 2 Control is the name of the game Bases Loaded Book 3 He s through playing games **Revenge of the Chili Queens** Kylie Logan,2015-08-04 National bestselling author Kylie Logan takes the chili cook off circuit to southern Texas to prove that revenge is a dish best served hot Everyone in San Antonio remembers the Alamo but how many remember the Chili Queens Back in the early twentieth century these spicy se oras sold their lip smacking chili in plazas all around the city Now as part of the Chili Showdown Maxie and her half sister Sylvia are dressing up as the Chili Queens to raise money for charity But someone wasn t feeling too charitable toward a local troubadour who is murdered at the fundraiser When their friend Nick Falcone head of security for the Showdown actually becomes the prime suspect it s up to Maxie and Sylvia to turn the heat up on a killer who s planning a chili reception for them **INCLUDES DELICIOUS RECIPES** **Call Me Lucky** Robert Hinkle,2015-03-25 Do you think you could teach Rock Hudson to talk like you do The question came from famed Hollywood director George Stevens and an affirmative answer propelled Bob Hinkle into a fifty year career in Hollywood as a speech coach actor producer director and friend to the stars Along the way Hinkle helped Rock Hudson Dennis Hopper Carroll Baker and Mercedes McCambridge talk like Texans for the 1956 epic film Giant He also helped create the character Jett Rink with James Dean who became a best friend and he consoled Elizabeth Taylor personally when Dean was killed in a tragic car accident before the film was released A few years later Paul Newman asked Hinkle to do for him what he d done for James Dean The result was Newman s powerful portrayal of a Texas no good in the Academy Award winning film Hud 1963 Hinkle could and did stop by the LBJ Ranch to exchange pleasantries with the president of the United States He did likewise with Elvis Presley at Graceland Good friends with Robert Wagner Hinkle even taught Wagner s wife Natalie Wood how to throw a rope He appeared in numerous television series including Gunsmoke Bonanza Dragnet and Walker Texas Ranger On a handshake he worked as country music legend Marty Robbins s manager and he helped Evel Knievel rise to fame From his birth in Brownfield Texas to a family so poor they could only afford a tumbleweed as a pet Hinkle went on to gain acclaim in Hollywood Through it all he remained the salty down to earth former rodeo cowboy from West Texas who could talk his way into or out of most any situation More than forty photographs including rare behind the scenes glimpses of the stars Hinkle met and befriended along the way complement this rousing never dull memoir **Latining America** Claudia Milian,2013-02-01 With Latining America Claudia Milian proposes that the economies of blackness brownness and dark brownness summon a new grammar for Latino a studies that she names Latinities Milian s innovative study argues that this

election and President Clinton's second term *Twenty Cars that Defined the 20th Century* James Morrison, 2024-02-02 On the 29 June 1914 Archduke Franz Ferdinand was assassinated in Sarajevo triggering events leading to the outbreak of the First World War. Less well known is that the car he was in was a borrowed Graf Stift Double Phaeton that the route was published in advance and the decision to lower the hood was only taken at the last minute. As with the other events in this book the car played a central role yet its history is largely unknown. These cars not only had their own stories in terms of design, ownership and the role they played but they are also a way of telling the story of the events themselves; they are literally a vehicle for history. In this book James Morrison takes 20 cars involved in twenty key 20th century world events and examines their involvement and history to provide a new angle and fascinating insights.
