Increasing Visual Literacy and Critical Thinking Skills through Graphic Novels Rebecca Maldonado, Jason DeHart, 2023-05-01. In order for students to reap the benefits of graphic novels, teachers need to first incorporate them into their classrooms. Graphic novels are not only a viable option to improve student retention of literature but also the cornerstone of several potential lesson plans. The multimodal nature of graphic novels allows teachers to shape their lessons in new directions. When the validity of graphic novels is no longer a question, students and teachers alike will discover the countless benefits of multimodal learning.

Cognitive and Emotional Study Strategies for Students with Dyslexia in Higher Education Amanda T. Abbott-Jones, 2023-09-28. Amanda T. Abbott-Jones provides practical and motivational guidance for dyslexic learners in higher education. It presents effective strategies appropriate for dealing with an array of study tasks including note taking, essay writing, reading exams, etc., while also delivering targeted emotional support. Pragmatic methods are delivered from the voices of students with dyslexia who have first-hand experience of fine-tuning study techniques, making learning suitable for how the dyslexic brain processes and memorises information to become successful in the academic world. As such, this book does not simply present strategies from an educational perspective but instead draws on the wealth of empirical knowledge from the source of dyslexia: the dyslexic people themselves. This gives readers a collective shared identity which has been previously lacking, teamed with valuable advice on ways to overcome cognitive and emotional difficulties by using appropriate strategies to enable people with dyslexia to flourish in the university environment.

One Day, Every Day: The Heart of a Substitute Teacher Sana Munir, 2025-07-12. *One Day Every Day: The Heart of a Substitute Teacher* is a heartfelt practical and inspiring guide for anyone stepping into the dynamic world of substitute teaching. Drawing from real classroom experiences, author Sana Munir, an experienced educator and curriculum designer, offers actionable advice, personal stories, and uplifting encouragement for those navigating the unpredictable but deeply rewarding role of a substitute. From preschool to high school, this book covers strategies for building rapport, quickly managing classrooms with confidence, and turning even the most unstructured days into meaningful learning experiences. Whether you're a new sub, a seasoned educator considering flexible work, or someone exploring a path in education, this guide provides a toolkit of insights and support. More than a manual, *One Day Every Day* celebrates the resilience, creativity, and quiet impact of substitute teachers: the unsung heroes who make a difference, one classroom at a time.

Integrating Social and Emotional Learning with Content Sarah Bright, Katherine Kapustka, 2024-12-11. This book provides a framework for creatively and effectively teaching social and emotional learning across content areas in

grades 3-5 using illustrated texts such as graphic novels, manga, and picture books. Thoughtful book choices that reflect the range of diversities found in classrooms and communities help support students as they develop their academic skills and provide opportunities to address their unique socio-emotional needs. Covering theoretical context, the benefits of using graphic texts to activate important cognitive structures, as well as specific techniques and advice for implementation, this book makes pairing effective diverse books with thoughtfully designed standards-aligned lessons encouragingly simple. Packed with adaptable lesson plans, book lists, differentiated activities, and more, this book is a must-read for educators seeking truly integrated learning experiences that meet all learners' academic and social and emotional learning (SEL) needs.

101 Ways to Say Thank You Kelly Browne, 2022-03-29 Express your gratitude in writing for any occasion with this updated guide to saying thank you. Writing a thank you note isn't just about good manners. This practice can improve your personal, social, and business relationships, leading to success and well-being in all aspects of your life. In *101 Ways to Say Thank You*, etiquette expert Kelly Browne shows you how to express gratitude eloquently and sincerely in every situation using both traditional and up-to-the-minute digital methods in an easy-to-follow, engaging and down-to-earth way. Never be at a loss for words again. *China's Management of Enterprise Assets*, 1997-01-01 World Bank Technical Paper No. 367 Africa Region Series This report is the second in a series of technical papers published by the World Bank on the Early Childhood Development (ECD) Initiative launched by the Bank's Africa Region. The review complements a previous paper, *The Condition of Young Children in Sub-Saharan Africa*, which outlined the shape and scale of children's survival needs and documented how in Africa children face greater challenges to healthy development than in any other region in the world. The present review explores ways of meeting these developmental challenges. It focuses on efforts that address the intersecting health, nutrition, and early education needs of children up to six years old in their institutional and socio-cultural environments. The paper also reviews current programs and policies across a set of 11 country experiences, including case studies from Angola, Kenya, Mauritius, and South Africa, revealing the policy and institutional conditions necessary for sustained impact of ECD efforts.
