Lions Club Official Prayer:

The National Jewish Monthly, 1955 A Preacher's Prayer Darel Boston, 2023-07-18 Preaching at its best is God inspired and directed to and through a preacher That preacher keeps feeling his need keeps studying God's word and stays open to the spirit In A Preacher's Prayer author Darel Boston shares the stories of his life before he became a minister during his long tenure and the insights and lessons he gained throughout his many and varied experiences both in the United States and abroad Beginning with his birth in 1936 Boston chronicles his journey through his childhood and high school years his college and seminary time and ministries in Indianapolis Norton and Junction City KS A Preacher's Prayer offers keen insight into the unique life of a minister and a minister's family Boston's life ministry and poetry show an enduring relationship with God that serves to inspire and encourage others in their Christian lives **The Wooden Horseshoe** Leonard Sanders, 1997 An uncanny understanding of both city council operations and the newspaper business some thirty years ago gave Leonard Sanders the ability to write this powerful novel about a small Texas city and the men who run it Sanders has combined the struggle for power in a local city government and the human interest side of its effects on the people close to the inside in an appealing and revealing story centered around an ambitious water project designed to further the city's growth Different views about the future of the city arise from the personalities of those who must decide Some council men like local businessman Max Berger put their own agenda before what should be done for the city Others like Dr Travis McNeil and wealthy rancher Cal Masters have the city's best interest at heart and must stand their ground to fight for what they believe is right By working through the plans for city expansion the men who sit around the horseshoe shaped council table come to realize the strains that they have been under from their work with the council City Manager David Hartwell knows that the many hours he spends in the office have affected his family and have caused the problems that they are facing In the same way newspaper reporter Tom Kencaide finds that his commitment to covering the council and exposing the truth has kept him from committing to his fiancée and reporting the news he feels the people should hear The Wooden Horseshoe first published by Doubleday in 1964 shows that city government can consume the ones who take part in it Those involved have to decide if they can reach a point where they do what is best for the city as well as for themselves Official Proceedings [of The] Annual Convention National Editorial Association, 1924 The Complete Idiot's Guide to Freemasonry, 2nd Edition S.
