**Paid Surveys** Frank Kern,2019-07-05 Get Paid Taking Surveys in Your Spare Time You just created a survey for your customers members employees or students that s great Now comes the hard part trying to get a lot of people to fill it out and give meaningful comments so you have valid and useful results But since most people ignore surveys and those that bother filling them out often skip over important instructions make rating errors and write vague and unhelpful comments what meaningful decisions can you really make from these misleading results Where do you go for answers If you have a LOT of time or a LOT of money you can do what most people do

- 1 Search the Internet Spend hours and days reading what works for other people which leads to conflicting opinions and misleading answers
- 2 Ask your colleagues Everyone has an opinion right Ask enough people and you ll end up with many situation specific answers that don t work for you and a lengthy survey that few people will fill out
- 3 Call in the experts Pay someone else to improve your survey which costs and eats up your time

Frustrating because you know you could have done it yourself Let me offer a far better alternative Enroll in this course to get expert advice you can quickly apply yourself The Survey Doctor is here to give your survey a quick tune up Get out the survey you are working on and let me share research tested solutions and insights that you can immediately apply to your survey items scales and instructions that will yield interpretable results to take correct action In fact these are the same tactics that I have used to improve surveys and evaluation forms created at 650 colleges training organizations and Fortune 500 companies But once you join the Udemy community you won t have to pay my fees or travel expenses Within a couple hours you will be able to Ask the RIGHT questions in the RIGHT way to get interpretable results Dramatically boost response rates without paying anyone Get relevant and actionable written comments from respondents you can use Engage people to WANT to fill out your survey Eliminate costly incentives and survey fatigue Smile with confidence and satisfaction knowing that all the efforts you put into creating your survey will now yield huge returns and valid results and much much more **ORDER NOW**

Changing Minds, If Not Hearts James M. Glaser,Timothy J. Ryan,2013-08-21 Americans preach egalitarianism but democracy makes it hard for minorities to win Changing Minds If Not Hearts explores political strategies that counteract the impulse of racial majorities to think about racial issues as a zero sum game in which a win for one group means a loss for another James M Glaser and Timothy J Ryan argue that although political processes often inflame racial tensions the tools of politics also can alleviate conflict Through randomized experiments conducted in South Carolina California Michigan Mississippi Oklahoma and New Jersey Glaser and Ryan uncover the racial underpinnings of disputes over affirmative action public school funding initiatives Confederate flag displays on government buildings reparations and racial profiling The authors examine whether communities rife with conflict endorse different outcomes when issues are cast in different terms for example by calling attention to double standards evoking alternate conceptions of fairness and justice or restructuring electoral choices to offer voters greater control Their studies identify a host of tools that can help overcome opposition to minority interests that are due to racial hostility Even in communities averse to accommodation even where antipathy and prejudice linger minorities can win With clearly presented data and compelling prose Changing Minds If Not Hearts provides a vivid and practical illustration of how academic theory can help resolve conflicts on the ground **Save Yourself Happy**
