List Of English Grammar S And Authors:

Grammars, Grammarians and Grammar-Writing in Eighteenth-Century England Ingrid Tieken-Boon van Ostade,2008-08-27 The book offers insight into the publication history of eighteenth century English grammars in unprecedented detail It is based on a close analysis of various types of relevant information Alston s bibliography of 1965 showing that this source needs to be revised urgently the recently published online database Eighteenth Century Collections Online ECCO with respect to sources of information never previously explored or analysed such as book catalogues and library catalogues Carol Percy s database on the reception of eighteenth century grammars in contemporary periodical reviews and so called precept corpora containing data on the treatment in a large variety of grammars and other works of individual grammatical constructions By focussing on individual grammars and their history a number of long standing questions are solved with respect to the authorship of particular grammars and related work the Brightland Gildon grammar and the Bellum Grammaticale Ann Fisher s grammar while new questions are identified such as the significant change of approach between the publication of one grammar and its second edition of seven years later Priestley and the dependence of later practical grammars for mothers and their children on earlier publications The contributions present a view of the grammarians as individuals with or without specific qualifications for undertaking what they did with their own ideas on teaching methodology and as writers ultimately engaged in the common aim presenting practical grammars of English to the general public Interestingly and importantly this collection of articles demonstrates the potential of ECCO as a resource for further research in the field **The Grammar of English Grammars** Goold Brown,1851 **English Grammar in American Schools Before 1850 ...** Rollo La Verne Lyman,1922 **The Grammar of English Grammars, with an Introduction Historical and Critical** Goold Brown,1861 *The Grammar of English Grammars* Goold Brown,2004-01-01 Dive deep into the intricacies of the English language with The Grammar of English Grammars by Goold Brown a comprehensive guide that unlocks the secrets of grammar and syntax illuminating the nuances of our beloved language Embark on an enlightening journey through the pages of this seminal work as Brown delves into the fundamental principles of English grammar with precision and clarity Follow along as he explores the rules and conventions that govern our language shedding light on everything from sentence structure to punctuation Delve into the themes of language acquisition communication and linguistic evolution as Brown examines the origins and development of English grammar over the centuries Through meticulous research and insightful analysis he reveals the rich tapestry of influences that have shaped our language into the vibrant and dynamic form we know today Character analysis provides insight into the inner workings of the English language itself revealing the intricate relationships between words phrases and clauses From the humble noun to the complex syntax of Shakespearean prose each aspect of English grammar is explored with depth and precision allowing readers to unravel the mysteries of our linguistic heritage The overall tone of The Grammar of English Grammars is one of

scholarly inquiry and intellectual curiosity as Brown invites readers to join him on a quest for linguistic understanding With its blend of academic rigor and accessible prose this book serves as an indispensable resource for students scholars and language enthusiasts alike Critically acclaimed for its thoroughness and comprehensiveness The Grammar of English Grammars has earned praise from linguists and educators for its invaluable contributions to our understanding of the English language Brown s meticulous attention to detail and his passion for his subject shine through on every page making this book a timeless classic in the field of linguistics Targeted towards readers with a love for language and a desire to deepen their understanding of English grammar The Grammar of English Grammars appeals to a diverse audience seeking a comprehensive and authoritative guide to the intricacies of our language Whether you re a student a teacher or simply a lover of words this book offers valuable insights and practical knowledge that will enrich your appreciation of English As you immerse yourself in the pages of The Grammar of English Grammars prepare to be enlightened inspired and empowered by Brown s masterful exposition of the rules and conventions that govern our language Let his passion for linguistics and his deep knowledge of English grammar guide you on a journey of discovery and linguistic exploration Don t miss your chance to unlock the secrets of English grammar with The Grammar of English Grammars Grab your copy today and embark on a fascinating exploration of the language we use every day to communicate express ourselves and connect with others   An Annotated Bibliography of Nineteenth-century Grammars of English Manfred Görlach,1998-01-01 In the 19th century education became accessible to much wider circles of society in a great number and variety of schools and the teaching of grammar came to be obligatory from 1870 72 with the advent of general education Whereas these general trends of the 19th century are well known to scholars working in different disciplines of social history and the history of education in particular it is still true that major sections of the evidence are largely uncollected This is especially so for school books there is virtually a gap between the 18th century and the present grammatical tradition This bibliography lists some 1930 works on English grammar published in the 19th century mainly in Britain and the US half of which are accompanied by short descriptions of their physical make up content and affiliation   **Grammar of English grammars; or Advanced manual of English grammar and language** Jacob Lowres,1863   **The English Grammar Schools to 1660** Foster Watson,1908   Descriptive Adequacy of Early Modern English Grammars Ute Dons,2012-04-17 The book deals with the development of descriptive models of English grammar writing during the Early Modern English period For the first time morphology and syntax as presented in Early Modern English grammars are systematically investigated as a whole The statements of the contemporary grammarians are compared to hypotheses made in modern descriptions of Early Modern English and where necessary checked against the Early Modern English part of the Helsinki Corpus Thus a comprehensive overview of the characteristic features of Early Modern English is complemented by conclusions about the descriptive adequacy of Early Modern English grammars It becomes evident that comments by contemporary authors occasionally reflect the corpus data

more adequately than the statements found in modern secondary literature This book is useful for advanced university students as well as for scholars of English and grammarians in general   *List of Grammars, Dictionaries, Etc* New York Public Library.
