Haiku The Last Poems Of An American Icon:

Haiku Richard Wright, 2012-02 The haiku of acclaimed novelist Richard Wright written at the end of his American Haiku Toru Kiuchi, 2017-11-30 American Haiku New Readings explores the history and development of haiku by American writers examining individual writers In the late nineteenth century Japanese poetry influenced through translation the French Symbolist poets from whom British and American Imagist poets Amy Lowell Ezra Pound T E Hulme and John Gould Fletcher received stimulus Since the first English language hokku haiku written by Yone Noguchi in 1903 one of the Imagist poet Ezra Pound s well known haiku like poem In A Station of the Metro published in 1913 is most influential on other Imagist and later American haiku poets Since the end of World War II many Americans and Canadians tried their hands at writing haiku Among them Richard Wright wrote over four thousand haiku in the final eighteen months of his life in exile in France His Haiku This Other World ed Yoshinobu Hakutani and Robert L Tener 1998 is a posthumous collection of 817 haiku Wright himself had selected Jack Kerouac a well known American novelist like Richard Wright also wrote numerous haiku Kerouac s Book of Haikus ed Regina Weinreich Penguin 2003 collects 667 haiku In recent decades many other American writers have written haiku Lenard Moore Sonia Sanchez James A Emanuel Burnell Lippy and Cid Corman Sonia Sanchez has two collections of haiku Like the Singing Coming off the Drums Boston Beacon Press 1998 and Morning Haiku Boston Beacon Press 2010 James A Emanuel s Jazz from the Haiku King Broadside Press 1999 is also a unique collection of haiku Lenard Moore author of his haiku collections The Open Eye 1985 has been writing and publishing haiku for over 20 years and became the first African American to be elected as President of the Haiku Society of America Burnell Lippy s haiku appears in the major American haiku journals Where the River Goes The Nature Tradition in English Language Haiku 2013 Cid Corman is well known not only as a haiku poet but a translator of Japanese ancient and modern haiku poets Santoka Walking into the Wind Cadmus Editions 1994 *No Race, No Country* Deborah Mutnick, 2025-05-13 No Race No Country presents a major reconsideration of the breakthrough African American author Richard Wright s work and life It challenges standard evaluations of his reputation as an autodidact his late novels his travel books and his political commitments after he left the Communist Party USA Deborah Mutnick engages a wide range of Wright s work throughout his career providing a nuanced perspective on his complicated gender politics and his serious engagement with Marx s notions of historical materialism alienation and commodity fetishism Adding to a small but growing number of studies of his ecological consciousness it also examines both his closeness to nature especially during his youth and late in life and his early mapping of a racial geography of the second nature of the sociocultural world that overlaps with and transforms the natural world Finally it joins a recent surge in scholarship on Wright s later nonfiction as a progenitor of Black radical internationalism in the 1960s and 1970s

Attention Equals Life Andrew Epstein, 2016-06-10 Poetry has long been thought of as a genre devoted to grand subjects timeless themes and sublime beauty Why then have contemporary poets turned with such intensity to documenting and

capturing the everyday and mundane Drawing on insights about the nature of everyday life from philosophy history and critical theory Andrew Epstein traces the modern history of this preoccupation and considers why it is so much with us today *Attention Equals Life* argues that a potent hunger for everyday life explodes in the post 1945 period as a reaction to the rapid unsettling transformations of this epoch which have resulted in a culture of perilous distraction Epstein demonstrates that poetry is an important and perhaps unlikely cultural form that has mounted a response and even a mode of resistance to a culture suffering from an acute crisis of attention In this timely and engaging study Epstein examines why a compulsion to represent the everyday becomes predominant in the decades after modernism and why it has so often sparked genre bending formal experimentation With chapters devoted to illuminating readings of a diverse group of writers including poets associated with influential movements like the New York School language poetry and conceptual writing the book considers the variety of forms contemporary poetry of everyday life has taken and analyzes how gender race and political forces all profoundly inflect the experience and the representation of the quotidian By exploring the rise of experimental realism as a poetic mode and the turn to rule governed everyday life projects *Attention Equals Life* offers a new way of understanding a vital strain at the heart of twentieth and twenty first century literature It not only charts the evolution of a significant concept in cultural theory and poetry but also reminds readers that the quest to pay attention to the everyday within today's frenetic world of and social media is an urgent and unending task *The Seasons* Luke Fischer, David Macauley, 2021-07-01

Although the seasons have been a perennial theme in literature and art their significance for philosophy and environmental theory has remained largely unexplored This pioneering book demonstrates the ways in which inquiry into the seasons reveals new and illuminating perspectives for philosophy environmental thought anthropology cultural studies aesthetics poetics and literary criticism *The Seasons* opens up new avenues for research in these fields and provides a valuable resource for teachers and students of the environmental humanities The innovative essays herein address a wide range of seasonal cultures and geographies from the traditional Western model of the four seasons spring summer fall and winter to the Indigenous seasons of Australia and the Arctic Exemplifying the crucial importance of interdisciplinary research *The Seasons* makes a compelling case for the relevance of the seasons to our daily lives scientific understanding diverse cultural practices and politics *Mississippi Poets* Catharine Savage Brosman, 2020-08-25 Mississippi has produced outstanding writers in numbers far out of proportion to its population Their contributions to American literature including poetry rank as enormous *Mississippi Poets A Literary Guide* showcases forty seven poets associated with the state and assesses their work with the aim of appreciating it and its place in today's culture In Mississippi the importance of poetry can no longer be doubted It partakes as Faulkner wrote of the broad aim of all literature to uplift man's heart In *Mississippi Poets* author Catharine Savage Brosman introduces readers to the poets themselves stressing their versatility and diversity She describes their subject matter and forms their books and particularly representative or striking poems Of broad interest and easy to

consult this book is both a source of information and a showcase It highlights the organic connection between poetry by Mississippians and the indigenous music genres of the region blues and jazz No other state has produced such abundant and impressive poetry connected to these essential American forms Brosman profiles and assesses poets from the twentieth and twenty first centuries Grounds for selection include connections between the poets and the state the excellence and abundance of their work its critical reception and both local and national standing Natives of Mississippi and others who have resided here draw equal consideration As C Liegh McInnis observed You do not have to be born in Mississippi to be a Mississippi writer If what happens in Mississippi has an immediate and definite effect on your work you are a Mississippi writer

The Ghost Forest Kimiko Hahn,2024-10-15 Borrowing from such writers as Elizabeth Bishop and Chimako Tada featuring ghosts and geoglyphs writing in form and free verse Kimiko Hahn s broad and eclectic approach reveals a mind as vast as the terrains it traverses Nicole Sealey Poetry magazine Opening with forty three new formally inventive poems and leading the reader back in time through selections from her ten previous volumes The Ghost Forest offers a contemplative and haunting narrative of a writer s artistic journey through craft and form while illuminating her personal history Exploring the mysteries of science nature and the experiences of contemporary womanhood Hahn both reinvents classic Japanese forms and experiments with traditional Western ones Braided into the poems and narrative thread a series of photos transforms the new and selected into a hybrid autobiography This arresting collection derives new beauty from long gone remnants A Riotous Disorder She mistakes one word for another Something her brain naturally concocts Her unruly gray matter and her heart Mistake one word for an other Razor for river cistern for sister Even cock for clock She mistakes one word for a mother A safe her brain naturally unlocks

Be the Pine, Be the Ball Paul J. Zingg,2018-04-27 Focusing on the landscapes and memory of golf and examining the games nature and appeal this collection of seventy two haiku poems and essays aims to lead readers to a fuller appreciation of the culture and history of golf and a deeper awareness of a players place in the game Be the Pine Be the Ball also reveals the compelling beauty and power of haiku the most popular poetic form in the world Through the brevity of its style precise language and ability to reveal how ordinary moments and elements of our lives are pathways to a better understanding of ourselves and the world around us haiku can have both a meditative and consequential effect on the reader A key to the connection between haiku and golf is that both foster powers of concentration and detailed observation with a related reduction of distractions Both seek to cultivate a more tranquil and disciplined mind and to translate that condition into how a life is lived and a game is played

My Black Stars Lilian Thuram, 2021-05-15 People young and old need stars to guide them They need models to construct their own identity to build their self esteem to change the way they see the world and to overcome their own and others prejudice During my childhood many stars were pointed out to me I admired them dreamt about them Socrates Baudelaire Einstein Marie Curie General de Gaulle Mother Teresa But nobody ever spoke to me about black stars The world of my education was white from the colour of the school walls to the pages of my textbooks I knew nothing about my own ancestors Slavery was the only black subject ever mentioned In this vision the history of Black people could only ever be a vale of tears and strife Can you tell me the name of a black scientist A black explorer A black philosopher A black pharaoh If you don't know the answer to these questions then whatever the colour of your skin this book is for you Because the best way to fight racism and intolerance is to educate ourselves and to broaden our imaginations The portraits of the men and women in this book are a product of my own reading and my interviews with scholars Starting with Lucy and ending with Barack Obama and along the way meeting Aesop Dona B atrice Pushkin Anne Zingha Aim C saire Martin Luther King and many

others These stars have allowed me to reject the idea that I am a victim to renew my faith in mankind and above all to believe in myself Lilian Thuram This translation of Lilian Thuram s bestselling 2010 volume Mes Etoiles Noires by Laurent Dubois University of Virginia finally brings his anti racism work to the attention of an English language audience the book has already been translated into several European languages At a time when the Black Lives Matter movement has reminded us of the need to tell more complex stories about our shared past this volume constitutes a timely intervention by a prominent black sporting figure
