**Bob Cianci**

## **Hal Blaine And The Wrecking Crew:**

**Hal Blaine and the Wrecking Crew** Hal Blaine, David Goggins, 2010-01-01 Book Ever wonder what it would be like to be the most recorded musician in popular music This updated bestselling autobiography spotlights Rock and Roll Hall of Fame inductee and drummer extraordinaire Hal Blaine and his remarkable life experiences From the Sinatras to the Beach Boys Blaine drumrolled through the 50s 60s and 70s driving over 40 songs to the Number One slot His works with Phil Spector and the Wrecking Crew sessions his touring experiences and other hitmaking pressure sessions are amusingly revealed in this rare glimpse into a golden age of music Exclusive scrapbook photos round out this biography to provide an entertaining and educating book for musicians and fans alike The update brings his life into the 21st century including info on his inductions into the Rock and Roll Hall of Fame and the Musicians Hall of Fame in Nashville dealing with Spector's infamous trials and recently the renewed interest in his golden era of recording with the documentary film on the Wrecking Crew and all the new wave of accolades that followed *Hal Blaine & the Wrecking Crew* Hal Blaine, 1990-02-01 **The Wrecking Crew** Kent Hartman, 2012-02-14 Part Hit Men and part Laurel Canyon this hidden history of rock and roll chronicles the uncredited studio musicians who provided the soundtrack for a generation **The Complete Idiot's Guide to Playing Drums** Michael Miller, 2003 Covers the history of drumming different drum types how to care for them and basic skills and tips for playing different types of music **Everybody Had an Ocean** William McKeen, 2017-04-01 Los Angeles in the 1960s gave the world some of the greatest music in rock n roll history California Dreamin by the Mamas and the Papas Mr Tambourine Man by the Byrds and Good Vibrations by the Beach Boys a song that magnificently summarized the joy and beauty of the era in three and a half minutes But there was a dark flip side to the fun fun fun of the music a nexus between naive young musicians and the hangers on who exploited the decade's peace love and flowers ethos all fueled by sex drugs and overnight success One surf music superstar unwittingly subsidized the kidnapping of Frank Sinatra Jr The transplanted Texas singer Bobby Fuller might have been murdered by the Mob in what is still an unsolved case And after hearing Charlie Manson sing Neil Young recommended him to the president of Warner Bros Records Manson's ultimate rejection by the music industry likely led to the infamous murders that shocked a nation *Everybody Had an Ocean* chronicles the migration of the rock n roll business to Southern California and how the artists flourished there The cast of characters is astonishing Brian and Dennis Wilson of the Beach Boys Jan and Dean eccentric producer Phil Spector Cass Elliot Sam Cooke Ike and Tina Turner Joni Mitchell and scores of others and their stories form a modern epic of the battles between innocence and cynicism joy and terror You'll never hear that beautiful music in quite the same way *Daft Punk and the Legacy Album* Sébastien Lebray, 2025-05-15 While much has been said about the nostalgia and historic references of Daft Punk's final album *Random Access Memories* this book reveals its ambition and future focus and claims these aspects do not necessarily contradict *Random Access Memories* will remain the very last Daft Punk album Often understood as an expression of nostalgia towards

the music of the 1970s 1980s this work should not be reduced to a simple tribute to the masters of disco Beyond their retro airs their interest in old studios and their preference for analogue equipment Daft Punk invent new creative approaches in the continuity of the history of electronic music leaving more room for humanity and collective performance The band claims audacity and ambition in a way that is reminiscent of the spirit more than in the style of 1970s progressive rock with characteristics such as the expansion of the instrumentarium experimentation in the recording studio and the development of structures Concerned with opening up new ways without giving in to a technician headlong rush Random Access Memories appears to be a work of its era much more than a pastiche of the past      **The Jan & Dean Record** Mark A.

Moore,2016-03-03 Jan Dean were among the most successful artists of the late 1950s through the mid 1960s with hits including Baby Talk Surf City Dead Man s Curve and The Little Old Lady From Pasadena Slapstick humor and offbeat personas were a big part of their shtick but Jan Berry was serious when it came to the studio This book chronicles Jan s career as a songwriter and arranger and his tenure as producer for Jan Dean and other acts with day by day entries detailing recording sessions single and album releases concerts and appearances film and television projects behind the scenes business and legal matters chart positions and more Extensive commentary from Berry s family friends and colleagues is included Studio invoices contract details tape box notes copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s      *On Browsing* Jason Guriel,2022-10-04 Nominated for the 2023 Heritage Toronto Book Award A defense of the dying art of losing an afternoon and gaining new appreciation amidst the bins and shelves of bricks and mortar shops Written during the pandemic when the world was marooned at home and consigned to scrolling screens On Browsing s essays chronicle what we ve lost through online shopping streaming and the relentless digitization of culture The latest in the Field Notes series On Browsing is an elegy for physical media a polemic in defense of perusing the world in person and a love letter to the dying practice of scanning bookshelves combing CD bins and losing yourself in the stacks      **Roots** Craig Horne,2019-11-12 A Melbourne sound that is at once both rakish and debonair So

what specifically is it about Melbourne that according to the Sydney Morning Herald it s able to support around 465 live music venues as compared to 453 in New York 385 in Tokyo and 245 in London despite its population being a fraction of those major world cities Despite the flaky weather the footy and Netflix Melbournians are committed to going out at night and in great numbers in heat or hail to listen to live music and to find those bands and singers they ve heard on Spotify or discovered on Soundcloud      *The Bastard Instrument* Brian F. Wright,2024-07-03 Centering the electric bass in popular music history      *Go Where You Wanna Go* Matthew Greenwald,2002-04-30 Lavishly illustrated and cinematic in scope Go Where You Wanna Go is told from the points of view of not only the group members but also from those of their friends musical colleagues business associates critics and fans      *Turn Up the Radio!* Harvey Kubernik,2014-04-15 Combining oral and illustrated history with a connective narrative Turn Up the Radio captures the zeitgeist of the Los Angeles rock and pop

music world between the years of 1956 and 1972 Featuring hundreds of rare and previously unpublished photographs and images of memorabilia this collection highlights dozens of iconic bands and musicians including the Doors the Beach Boys Buffalo Springfield the Byrds CSN the Monkees the Rolling Stones Ike and Tina Turner Elvis Presley Eddie Cochran Ritchie Valens Neil Young Joni Mitchell Frank Zappa Thee Midnites Sonny and Cher and many others The book also digs deep to uncover the studio musicians background vocalists songwriters producers and engineers who helped propel the Los Angeles rock and pop music scene to such a legendary status such as Bones Howe Barney Kessel B J Baker Merry Clayton Jack Nitzsche Jerry Leiber Mike Stoller Bobby Womack and Kim Fowley Finally Turn Up the Radio pays tribute to the DJs who brought the music of Los Angeles to fans throughout Southern California and ultimately the world including Art Laboe Dave Hull the Real Don Steele and Dave Diamond Packed with exclusive interviews this one of a kind keepsake is a must have for any music fan

**Leon Russell** Bill Janovitz,2023-03-14 The definitive New York Times bestselling biography of legendary musician composer and performer Leon Russell who profoundly influenced George Harrison the Rolling Stones Eric Clapton Elton John Willie Nelson Tom Petty and the world of music as a whole Leon Russell is an icon but somehow is still an underappreciated artist He is spoken of in tones reserved not just for the most talented musicians but also for the most complex and fascinating His career is like a roadmap of music history often intersecting with rock royalty like Bob Dylan the Stones and the Beatles He started in the Fifties as a teenager touring with Jerry Lee Lewis going on to play piano on records by such giants as Frank Sinatra The Beach Boys and Phil Spector and on hundreds of classic songs with major recording artists Leon was Elton John s idol and Elton inducted him into the Rock and Roll Hall of Fame in 2011 Leon also gets credit for altering Willie Nelson s career giving us the long haired pot friendly Willie we all know and love today In his prime Leon filled stadiums on solo tours and was an organizer performer on both Joe Cocker s revolutionary Mad Dogs and Englishmen tour and George Harrison s Concert for Bangladesh Leon also founded Shelter Records in 1969 with producer Denny Cordell discovering and releasing the debut albums of Tom Petty the Gap Band Phoebe Snow and J J Cale Leon always assembled wildly diverse bands and performances fostering creative and free atmospheres for musicians to live and work together He brazenly challenged musical and social barriers However Russell also struggled with his demons including substance abuse severe depression and a crippling stage fright that wreaked havoc on his psyche over the long haul and at times seemed to will himself into obscurity Now acclaimed author and founding member of Buffalo Tom Bill Janovitz shines the spotlight on one of the most important music makers of the twentieth century

Growing Songwriting Associate Professor of Music Education Clint Randles,2024-08-13 The history of music education over the past 100 years has centered on traditional band choir and orchestra models Yet music education has always secured a prominent place in the curriculum when it captures the musical imagination of the masses and research has shown that more and more students are seeking alternative opportunities to engage with music Songwriting is a 21st Century curricular offering that considers who we are as a society

our desires our goals our passions Most often songwriting occurs in Modern Band classes that are beginning to pop up all around North America and many parts of the world This book provides curricular support for those efforts as we look to the present and future of music teaching and learning      *Lead Sister: The Story of Karen Carpenter* Lucy O'Brien,2023-03-02

When the Carpenters first toured Japan a journalist mistakenly referred to Karen as the lead sister of the band This designation stuck and Karen liked it so much that she had a T shirt custom made with the slogan which she wore while drumming on the band s 1976 world tour The term also sums up the approach of this biography a celebratory re evaluation of a pioneering woman As one of the biggest selling acts of the 1970s sibling duo Richard and Karen Carpenter created lush soundscapes of melodic pop producing global hits like We ve Only Just Begun Top of the World and Close to You However though Karen is rightly recognised as one of the greatest singers in popular music the tragedy of her early death in 1983 at the age of just thirty two often overshadows all that she achieved She has long been portrayed as a victim controlled by her family and exploited by the music industry This book now seeks to reframe her life and legacy Through fresh interviews with friends musicians and co workers bestselling author Lucy O Brien s fascinating profile explores Karen s contributions in the studio as a singer drummer arranger and producer as well as tracing the roots of the Carpenters sound and of Karen s distinctive vocals Forty years after her death it also honours the lead sister s achievements in the face of her struggle with anorexia as viewed through the lens of new perspectives on eating disorders and mental health Yet despite the chronic nature of her illness Karen Carpenter was above all a creative dedicated and assured artist whose music delivers an emotional resonance that has transcended generations and that is how she should be remembered      **A New and Concise History of Rock and R&B through the Early 1990s** Eric Charry,2012-01-11 This concise yet lively textbook explores the history and significance of American popular music from Tin Pan Alley to Public Enemy Ethnomusicologist Eric Charry provides a strong foundation for understanding how music the music industry and American culture intersect His innovative teaching style presents the material in a dynamic format suitable for general education courses in music The book is organized around a series of timelines tables and figures providing fresh perspectives on the social and cultural importance of the music Charry lays out key contemporary theoretical issues covers the technical foundations of the music industry and provides a capsule history of who did what when with particular emphasis on the rapid emergence of distinct genres and subgenres The book s figures distill the history and provide new insight into understanding trends Over a thousand artists albums and songs are covered such as Muddy Waters Elvis Presley Bob Dylan Aretha Franklin the Velvet Underground Janis Joplin Jimi Hendrix David Bowie Stevie Wonder Prince Madonna Talking Heads and many more      *Great Rock Drummers of the Sixties* Bob Cianci,2006 Update to popular book on legends of rock s golden era Now in its long awaited second printing Bob Cianci s *Great Rock Drummers of the Sixties* the universally acclaimed history of Sixties rock drummers and drumming has been reissued in its original form with a revised section that thoroughly updates information on the drummers featured

within This group of rock drummers are arguably the most revered and copied musicians to ever sit behind the kit All the prominent drummers of the era are spotlighted including Ringo Starr Charlie Watts Keith Moon Mitch Mitchell Hal Blaine and other legends Long out of print the original first edition of Great Rock Drummers of the Sixties was published in 1989 and went on to become a collectors item This in demand book is back and better than ever with a new cover improved layout and much more information for anyone interested in the Sixties its music and rock drummers

**Soul Picnic** Michele Kort,2016-05-10 Laura Nyro was a beloved and pioneering singer songwriter of the 1960s and 1970s whose songs were covered with great success by the Fifth Dimension Blood Sweat & Tears Three Dog Night and Barbra Streisand This first biography from Michele Kort Soul Picnic uncovers previously never revealed details including a love affair with Jackson Browne and her relationship with painter Maria Desiderio Unappreciated in her time Nyro s legacy is currently experiencing a revival With her groundbreakingly honest and passionate lyrics her unusual and innovative rhythms and melody Nyro s influence is still felt by singers and songwriters today

**Tearing Down the Wall of Sound** Mick Brown,2007-06-05 A stunning biography of pure self interest and cruelty tempered only slightly by the great musical achievements of Mr Spector s golden age in the early 1960s The New York Times He had a number one hit at eighteen He was a millionaire with his own record label at twenty two He was according to Tom Wolfe the first tycoon of teen Phil Spector owned pop music From the Crystals the Ronettes whose lead singer Ronnie would become his second wife and the Righteous Brothers to the Beatles together and singly and finally the seventies punk icons The Ramones Spector produced hit after hit But then he became pop music s most famous recluse Until one day in the spring of 2007 when his name hit the tabloids connected to a horrible crime In this bruising portrait of legendary music producer Phil Spector Entertainment Weekly the last journalist to interview him before his arrest tells the full story of the troubled genius

The Wichita Lineman Dylan Jones,2019-07-30 It s just another song to me I ve written 1 000 of them and it s really just another one Jimmy Webb When I heard it I cried It made me cry because I was homesick It s just a masterfully written song Glen Campbell The sound of Wichita Lineman was the sound of ecstatic solitude but then its hero was the quintessential loner What a great metaphor he was a man who needed a woman more than he actually wanted her Written in 1968 by Jimmy Webb Wichita Lineman is the first philosophical country song a heartbreaking torch ballad still celebrated for its mercurial songwriting genius fifty years later It was recorded by Glen Campbell in LA with a legendary group of musicians known as the Wrecking Crew and something about the song s enigmatic mood seemed to capture the tensions in America at a moment of crisis Fusing a dribble of bass searing strings tremolo guitar and Campbell s plaintive vocals Webb s paean to the American West describes a telephone lineman s longing for an absent lover who he hears singing in the wire and like all good love songs it s an SOS from the heart Mixing close listening interviews and travelogue Dylan Jones explores the legacy of a record that has entertained and haunted millions for over half a century What is it about this song that continues to seduce listeners and how did the parallel stories of Campbell and Webb

songwriters and recording artists from different ends of the spectrum unfold in the decades following Part biography part work of musicological archaeology The Wichita Lineman opens a window on to America in the late twentieth century through the prism of a song that has been covered by myriad artists in the intervening decades Americana in the truest sense evocative and real Bob Stanley
