Hand In Hand Jewish And Indigenous People Working Together:

Hand in Hand Anne Sarzin, Lisa Miranda Sarzin, New South Wales Jewish Board of Deputies Staff, 2010 Hand in Hand Jewish and Indigenous people working together is an inspiring account of a journey of care and understanding being undertaken by two very significant Australian communities the Australian Jewish community on the one hand and on the other Australia's Indigenous Community The First Australians Though seemingly different each stream derives from an ancient and rich culture each with a significant spiritual dimension And the long history of each had ensured a genuine understanding of experiences of marginalization of dispossession of persecution and suffering but also of resilience survival and achievement

The Routledge Handbook of Australian Indigenous Peoples and Futures Bronwyn Carlson, Madi Day, Sandy O'Sullivan, Tristan Kennedy, 2023-09-19 Providing an international reference work written solely by Aboriginal and Torres Strait Islander authors this book offers a powerful overview of emergent and topical research in the field of global Indigenous studies It addresses current concerns of Australian Indigenous peoples of today and explores opportunities to develop and support the development of Indigenous resilience and solidarity to create a fairer safer more inclusive future Divided into three sections this book explores What futures for Aboriginal and or Torres Strait Islander peoples might look like and how institutions structures and systems can be transformed to such a future The complexity of Aboriginal and Torres Strait Island life and identity and the possibilities for Australian Indigenous futures and The many and varied ways in which Aboriginal and Torres Strait Islander peoples use technology and how it is transforming their lives This book documents a turning point in global Indigenous history the disintermediation of Indigenous voices and the promotion of opportunities for Indigenous peoples to map their own futures It is a valuable resource for students and scholars of Indigenous studies as well as gender and sexuality studies education studies ethnicity and identity studies and decolonising development studies

Religious Change and Indigenous Peoples Helena Onnudottir, Adam Possamai, 2016-04-08 Exploring religious and spiritual changes which have been taking place among Indigenous populations in Australia and New Zealand this book focuses on important changes in religious affiliation in census data over the last 15 years Drawing on both local social and political debates while contextualising the discussion in wider global debates about changing religious identities especially the growth of Islam the authors present a critical analysis of the persistent images and discourses on Aboriginal religions and spirituality This book takes a comparative approach to other Indigenous and minority groups to explore contemporary changes in religious affiliation which have raised questions about resistance to modernity challenges to the nation state and or rejection of Christianity or Islam Helena Onnudottir Adam Possamai and Bryan Turner offer a critical analysis to on going public political and sociological debates about religious conversion especially to Islam and changing religious affiliations including an increase in the number of people who claim no religion among Indigenous populations This book also offers a major contribution to the growing debate about conversion to Islam among Australian Aborigines Maoris and Pacific peoples

Two Way Teaching and Learning Nola Purdie, Gina Milgate, Hannah Rachel Bell, 2012-01-01 Within the Education Revolution lies another quieter revolution that attempts to raise the profile and status and improve the learning outcomes of Australia's Aboriginal and Torres Strait Islander peoples children young adults women and men Two Way Teaching and Learning addresses the interface where two cultures meet in the classroom the school and the community Most of the contributors to this book are Indigenous and all are highly experienced practitioners drawn from academia the teaching profession or the community Together and through a diversity of voices they put the spotlight on policies and processes that facilitate informed respectful relationships in education as well as those that reinforce cultural inequity and inequality The implications of policies that can be liberating or devastating for Aboriginal and Torres Strait Islander students at all levels are exposed and explored with forensic care

The Radical Writings of Jack Nusan Porter Jack Nusan Porter, 2021-08-10 Jack Nusan Porter's writings date back to 1966 during the height of the Vietnam War He describes the anguished struggle against war racism and poverty as well as the radical groups and individuals involved Jewish socialists radical Zionists radical Jews Rabbi Meir Kahane and the Jewish Defense League the counterculture liberals and conservatives alike In addition his writings vividly recount the anti Zionist anti Israel anti Semitic and revolutionary terrorism of the times Here Porter draws from the past in an effort to explain the present walking the precarious bridge between allegiance to Israel and the Jewish people and the universal rights of all people This collection of older and newer essays combines theory sociology film studies literary criticism post modern thought and politics

Red, White & Black Frank B. Wilderson III, 2010-03-19 Red White one by an Indian director Skins Chris Eyre and one by a White director Monster's Ball Marc Foster These films present Red and Black people beleaguered by problems such as homelessness and the repercussions of incarceration They portray social turmoil in terms of conflict as problems that can be solved at least theoretically if not in the given narratives Wilderson maintains that at the narrative level they fail to recognize that the turmoil is based not in conflict but in fundamentally irreconcilable racial antagonisms Yet as he explains those antagonisms are unintentionally disclosed in the films non narrative strategies in decisions regarding matters such as lighting camera angles and sound

Israel and South Africa Ilan Pappé, 2015-10-15 Within the already heavily polarised debate on the Israeli Palestinian conflict parallels between Israel and apartheid South Africa remain highly contentious A number of prominent academic and political commentators including former US president Jimmy Carter and UN Special Rapporteur John Dugard have argued that Israel s treatment of its Arab Israeli citizens and the people of the occupied territories amounts to a system of oppression no less brutal or inhumane than that of South Africa s white supremacists Similarly boycott and disinvestment campaigns comparable to those employed by anti apartheid activists have attracted growing support Yet while the apartheid question has become increasingly visible in this debate there has been little in the way of genuine scholarly analysis of the similarities or otherwise between the Zionist and apartheid regimes In Israel and South Africa Ilan Papp one of Israel s preeminent academics and a noted critic of the current government brings together lawyers journalists policy makers and historians of both countries to assess the implications of the apartheid analogy for international law activism and policy making With contributors including the distinguished anti apartheid activist Ronnie Kasrils Israel and South Africa offers a bold and incisive perspective on one of the defining moral questions of our age

Holocaust Peter Longerich, 2010-04-15 A comprehensive history of the Nazi persecution and murder of European Jews paying detailed attention to an unrivalled range sources Focusing clearly on the

perpetrators and exploring closely the process of decision making Longerich argues that anti-Semitism was not a mere by-product of the Nazis' political mobilization or an attempt to deflect the attention of the masses but that anti-Jewish policy was a central tenet of the Nazi movement's attempts to implement, disseminate and secure National Socialist rule and one which crucially shaped Nazi policy decisions from their earliest days in power through to the invasion of the Soviet Union and the Final Solution. As Longerich shows, the disappearance of Jews was designed as a first step towards a racially homogeneous society, first within the Reich, later in the whole of a German-dominated Europe.

Native Peoples of the World Steven L. Danver, 2015-03-10 This work examines the world's indigenous peoples, their cultures, the countries in which they reside and the issues that impact these groups.

The American Jewish Chronicle, 1917 *Theologies of Liberation in Palestine-Israel* Lisa Isherwood, Nur Masalha, 2014-08-28 *Theologies of Liberation in Palestine-Israel* is a challenging collection of essays concerned with the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people's struggle for justice and liberation. The innovation of the work stems from the inclusion of indigenous perspectives within its remit and the introduction of new concepts such as civil liberation theology. The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict, ways to live peacefully, ways to be ethical when visiting these conflicted lands, understandings of resource ethics and even a new way to understand how we approach our understanding of liberation theology. Contributors include well-known scholars from Muslim, Jewish, Christian, Palestinian, Israeli, Indian, American and British backgrounds. This work goes beyond typical academic collections; vast in scope, it will be informative not only to scholars and students but also to peace activists and policymakers. It should be of use not only in academic courses but also for practitioners of conflict resolution, peace and reconciliation.

Authentically Jewish Stuart Z. Charmé, Stuart L. Charmé, 2022-08-12 How do you know when someone or something is really authentically Jewish? This book argues that what is authentically Jewish is continually changing in response to historical and cultural developments, the shifting attributions of meaning that individuals make and the negotiations that occur as different groups struggle for recognition.

Jewish Politics in Spinoza's Amsterdam Anne O. Albert, 2023-01-15 Finalist for Jordan Schnitzer Book Award for Philosophy and Jewish Thought 2023 This book untangles a web of ideas about politics, religion, exile and community that emerged at a key moment in Jewish history and left a lasting mark on Jewish ideas. In the shadow of their former member Baruch Spinoza's notoriety and amid the aftermath of the Sabbatian messianic movement, the Spanish and Portuguese Jews of seventeenth-century Amsterdam underwent a conceptual shift that led them to treat their self-governed diaspora community as a commonwealth. Preoccupied by the question of why and how Jews should rule themselves in the absence of a biblical or messianic sovereign state or king, they forged a creative synthesis of insights from early modern Christian politics and Jewish law and traditions to assess and argue over their formidable communal government. In so doing, they shaped a proud new theopolitical self-understanding of their community as analogous to a Christian state. Through

readings of rarely studied sermons commentaries polemics administrative records and architecture Anne Albert shows that a concentrated period of public Jewish political discourse among the community's leaders and thinkers led to the formation of a strong image of itself as a totalizing state-like entity an image that eventually came to define its portrayal by twentieth-century historians Her study presents a new perspective on a Jewish population that has long fascinated readers as well as new evidence of Jewish reactions to Spinoza and Sabbatianism and analyses the first Jewish reckoning with modern western political concepts *The Living Church*, 1995 *The Last Jews of Cochin* Nathan Katz, Ellen S. Goldberg, 1993 For two thousand years a small colony of Jews in Cochin South India enjoyed security and prosperity fully accepted by their Hindu Muslim and Christian neighbors In this most exotic corner of the Diaspora Jews flourished in the spice trade agriculture the professions government and military service India's tolerant nurturing atmosphere produced a Jewish prime minister to a Hindu maharaja an autonomous Jewish principality Hebrew and Malayalam language poets powerful well educated women and Qabbalists revered by Hindus Muslims Christians and Jews alike Cochin's Jews were so well integrated into Hindu society that they evolved an identity which was both fully Indian and fully Jewish This book analyzes the strategies by which this dual identity was established The Cochin Jews have narrated a historical legend which emphasizes their longstanding residence in India the site of Jewish autonomy under Hindu patronage and their attestable origin in ancient Israel the center of the Jewish universe Although the Cochin Jews remained faithful to Jewish law and custom Hindu symbols of nobility and purity were adopted into their religious observances resulting in some of the most exotic religious practices in the Jewish world The Jews of Cochin mirrored Hindu social structure and became a caste well positioned in India's hierarchy Yet in emulating caste behavior Jews came to discriminate against one another in a breach of Jewish law giving rise to a controversy which lasted five hundred years Despite millennia of security when their two beloved homelands India and Israel attained independence in the late 1940s virtually all of the Jews living in Cochin opted for the more precarious life in Israel This book concludes with an exploration of their reasons for leaving India and an appraisal of their adaptation to Israeli life

Pretending Democracy Jeenah, Na'eem, 2018-06-14 This powerful collection from an international mix of respected academics newer voices and political activists explores the place of Israel as a Jewish state in today's modern world a world in which identities citizenship and human rights are defined in increasingly cosmopolitan and inclusive ways Offering compelling and comprehensive arguments as to why Israel falls into the category of an ethnocentric state the contributions to this volume explore four central themes They reveal the reality behind Israel's founding myths They document the experiences of some of those who have fallen victim to this ethnic state Then they draw comparisons with other ethnic states notably South Africa and finally they point towards the radical hope of achieving a single nation united peaceful and just Unpacking both Jewish and Palestinian nationalism the nation state and ethnic nationalism this fascinating collection offers new insights into one of the world's most intractable conflicts It will appeal not only to scholars and teachers but to anyone
