## **Limping On Water:**

**Limping on Water** Phil Beuth, K. C. Schulberg, 2016-03 Phil Beuth spent his entire broadcasting career with one company. As the first employee of a fledgling media startup in 1955, Phil worked his way up over a 40-year span as Capital Cities grew to become one of America's most influential and successful media companies. *Limping on Water* is a Dickensian rags-to-riches tale of a disadvantaged boy born with cerebral palsy who rose to become a top executive at one of America's most respected and successful media companies, Capital Cities Communications, a member of two Broadcasting Halls of Fame, head of *Good Morning America* and a Division President of ABC. More than simply recollections of a career at a celebrated company and the famous people encountered along his path, Phil's story is a keen insider's chronicle of that *Mad Men* golden era of television, a time when broadcasting as we know it came into being. *A Cyclopaedic Dictionary of the Mang'anja Language* David Clement Scott, 1892

**Coffin on the Water** Gwendoline Butler, 2014-06-12 Detective Constable John Coffin investigates the murder of a young woman whose body is found floating in the Thames with a sinister note attached to her. A gripping crime novel from one of the most universally praised English mystery writers, perfect for fans of Agatha Christie. **The Orphan** Clarence Edward Mulford, 2021-04-25 Tradition had it that *The Orphan* was a mongrel, a half-breed asserting that his mother had been a Sioux with negro blood in her veins. It also asserted that his father had been nominated and unanimously elected by a posse to an elevated position under a tree and further that *The Orphan* himself had been born during a cloudburst at midnight on the thirteenth of the month. The latter was from the Mexicans who found great delight in making such terrifying combinations of ill luck. *The Orphan* is a Western novel about a hero by the same name. His sharp shooting skills will come in handy as he contends with bandits, Indians, and the harsh desert lands of the Wild West.
