Lincoln And The Politics Of Christian Love:

Lincoln and the Politics of Christian Love Grant N. Havers, 2009-11-13 America has seen faith based initiatives and the audacity of hope in twenty first century politics but few participants in our political scene have invoked the other Christian virtue of charity as a guiding principle Abraham Lincoln extolled the merit of loving thy neighbor as thyself especially as a critique of the hypocrisy of slavery but a discussion of Christian love is noticeably absent from today's debates about religion and democracy In this provocative book Grant Havers argues that charity is a central tenet of what Lincoln once called America's political religion He explores the implications of making Christian love the highest moral standard for American democracy showing how Lincoln's legacy demands that a true democracy be charitable toward all and that only a people who lived according to such ideals could succeed in building democracy as Lincoln understood it Havers argues that it is simplistic to conflate Lincoln's invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today's neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and Lincoln This carefully argued work defends Lincoln's understanding of charity as essential to democracy while emphasizing the difficulty of fusing this ethic with the desire to spread democracy to people who do not share America's Christian heritage In considering the prospect of America's leaders rediscovering a moral foreign policy based on charity rather than the costly idolization of democracy *Lincoln and the Politics of Christian Love* makes a timely contribution to the wider debate over both the meaning of religion in American politics and the mission of America in the world and opens a new window on Lincoln's lasting legacy *Leo Strauss and Anglo-American Democracy* Grant N. Havers, 2013-10-15 Leo Strauss and *Anglo American Democracy* critically interprets Strauss's political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In *Leo Strauss and Anglo American Democracy* Havers contends that the most troubling implication of Straussianism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization

as recent wars to spread democracy have demonstrated

Twilight of the Republic Justin B. Litke, 2013-07-19 The uniqueness of America has been alternately celebrated and panned emphasized and denied for most of the country's history both by its own people and by visitors and observers from around the world The idea of American exceptionalism tends to provoke strong feelings but few are aware of the term's origins or understand its true meaning Understanding the roots and consequences of America's uniqueness requires a thorough look into the nation's history and Americans' ideas about themselves Through a masterful analysis of important texts and key documents Justin B Litke investigates the symbols that have defined American identity since the colonial era From the time of the country's founding the people of the United States have viewed themselves as citizens of a nation blessed by God and they accordingly sought to serve as an example to others Litke argues that as the republic developed Americans came to perceive their country as an active redeemer nation responsible for liberating the world from its failings He introduces and contextualizes the various historical and academic claims about American exceptionalism and offers an original approach to understanding this phenomenon Today American historians and politicians still debate the meaning of exceptionalism Advocates of exceptionalism are often perceived by their opponents as unrealistically patriotic and Litke's historically and theoretically rich inquiry attempts to reconcile these political and cultural tensions Republicans of every age have recognized that a people cut off from their history will not long persist in self government Twilight of the Republic aims to reinvigorate the tradition that once caused people the world over to envy the American political order

Democracy and Its Friendly Critics Peter Augustine Lawler, 2004-01-01 In this edited collection Peter Lawler presents a lucid and comprehensive introduction to a diverse set of political issues according to Tocqueville Democracy and Its Friendly Critics addresses a variety of modern political and social concerns such as the moral dimension of democracy the theoretical challenges to democracy in our time the religious dimension of liberty and the meaning of work in contemporary American Life Taking innovative and unexpected approaches toward familiar topics the essays present engaging insights into a democratic society and the contributors include some of today's leading figures in political philosophy No other collection on Tocqueville addresses contemporary American political issues in such a direct and accessible fashion making this book a valuable resource for the study of political theory in America

The Statesman as Thinker Daniel J. Mahoney, 2022-05-24 In The Statesman as Thinker Daniel J Mahoney provides thoughtful and elegant portraits of statesmen who struggled to preserve freedom during times of crisis Cicero using all the powers of rhetoric to preserve republican liberty in Rome against Caesar's encroaching autocracy Burke defending ordered liberty against Jacobin tyranny in revolutionary France Tocqueville defending liberty and human dignity against blind reaction democratic impatience and revolutionary fanaticism Lincoln preserving the American republic and putting an end to chattel slavery Churchill defending liberty and law and opposing Nazi and Communist despotism de Gaulle defending the honor of France during World War II and Havel fighting Communism before 1989 and then leading the Czech Republic with dignity and grace

Mahoney makes sense of the mixture of magnanimity and moderation that defines the statesman as thinker at his or her best. That admirable mixture of greatness, courage, and moderation owes much to classical and Christian wisdom and to the noble desire to protect the inheritance of civilization against rapacious and destructive despotic regimes and ideologies. Politics in Theology Gabriel R. Ricci, 2017-07-12. This new volume examines the relationship between religion and politics from a historical perspective. Contributors address specific moments in which political governance intersects with religious ideals in dramatic ways. These moments question the relationship between religious sentiments and political solutions and threaten to reorder the geopolitical landscape. These essays discuss the tensions produced by secularism in an Islamic culture, the influence of Catholic theology in workers' political movements, and how Hinduism has been transformed by the political process. Also featured are essays that emphasize how civil religion coincides with constitutional order and how the drama of religious tolerance and legitimization of the power of Christian hierarchy originated in the political power of the Roman emperor. This volume is an interdisciplinary effort from up and coming and cutting edge scholars. Contents include: Something as Yet Unfinished, Adam Stauffer; Carl Schmitt, Leo Strauss, and the Necessity of Political Theology, Grant N. Havers; Escape from Theology, Peter Grosvenor; The Persistence of Civil Religion in Modern Canada, John von Heyking; The Politicization of Hinduism and the Hinduization of Politics, Jeffery D. Long; Ontology, Plurality, and Roman Catholic Social Teaching, Roland Boer; The Pseudo-Isidorian Decretals and Church-State Conflict, Mary Sommar; Thomas Aquinas on Providence, Prudence, and Natural Law, Christopher S. Morrissey; The Mystical Body of Christ and French Catholic Action, 1926-1949, W. Brian Newsome; and Secularism in Turkey, Oya Dursun Ozkanca.

Eric Voegelin's Asian Political Thought Lee Trepanier, 2020-06-22. The rise of Asia in global affairs has forced western thinkers to rethink their assumptions, theories, and conclusions about the region. Eric Voegelin's *Asian Political Thought* brings together a mixture of established and rising scholars from both Asia and the West to reflect upon the political philosopher's thought about China, Japan, Korea, Central Asia, and India. From Voegelin's writings, readers will not only understand how Voegelin's approach can illuminate the fundamental principles and issues about Asia but also what are the challenges and possibilities that Asia offers in the twentieth-first century. For those who want to move past the superficial commentary and clichés about Asia, Eric Voegelin's *Asian Political Thought* is the book for you.

The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present: 2014 Raymond Tatalovich, Steven E. Schier, 2014-12-18. This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present. **Freedom's Delay** Allen Carden, 2014-07-30. The Declaration of Independence proclaimed freedom for Americans from the domination of Great Britain, yet for millions of African Americans caught up in a brutal system of racially based slavery, freedom would be denied for ninety additional years until the ratification of the Thirteenth Amendment to the U.S. Constitution. *Freedom's Delay: America's Struggle for Emancipation, 1776-1865* probes the slow, painful, yet ultimately successful crusade to end slavery.

throughout the nation North and South This work fills an important gap in the literature of slavery's demise Unlike other authors who focus largely on specific time periods or regional areas Allen Carden presents a thematically structured national synthesis of emancipation *Freedom's Delay* offers a comprehensive and unique overview of the process of manumission commencing in 1776 when slavery was a national institution not just the southern experience known historically by most Americans In this volume the entire country is examined and major emancipatory efforts political literary legal moral and social made by black and white free and enslaved individuals are documented over the years from independence through the ratification of the Thirteenth Amendment *Freedom's Delay* dispels many of the myths about slavery and abolition including that racial servitude was of little consequence in the North and where it did exist it ended quickly and easily that abolition was a white man's cause and blacks were passive recipients of liberty that the South seceded primarily to protect states rights not slavery and that the North fought the Civil War primarily to end the subjugation of African Americans By putting these misunderstandings aside this book reveals what actually transpired in the fight for human rights during this critical era Carden's inclusion of a cogent preface and epilogue assures that *Freedom's Delay* will find a significant place in the literature of American slavery and freedom With a compelling preface and epilogue notes illustrations and tables and a detailed bibliography this volume will be of great value not only in courses on American history and African American history but also to the general reading public Allen Carden is professor of history at Fresno Pacific University in Fresno California He is the author of *Puritan Christianity in America Religion and Life in Seventeenth Century Massachusetts* *Reinhold Niebuhr and Contemporary Politics* Richard Harries, Stephen Platten, 2010-03-25 A timely collaborative re-evaluation of Reinhold Niebuhr's work that reflects on his notable contribution to Christian social ethics the Christian doctrine of humanity and the engagement of Christian thought with contemporary politics

The Politics of Conjugal Love Conor Sweeney, Brian T. Trainor, 2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so does it have a lasting value beyond the cultural milieu in which it was first articulated *The Politics of Conjugal Love* takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti-subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

The Saturday Review of Politics, Literature, Science and Art, 1858 [The Lost Soul of American Politics](#) John P. Diggins, 1986-08-15 *The Lost Soul of American Politics* is a provocative new interpretation of American political thought from the Founding Fathers to the Neo Conservatives Reassessing the motives and intentions of such great political thinkers as Madison Thoreau Lincoln and Emerson John P Diggins shows how these men struggled to create an alliance between the politics of self interest and a religious sense of moral responsibility a tension that still troubles

us today **Politics and the Order of Love** Eric Gregory, 2008-08-15 Augustine for all of his influence on Western culture and politics was hardly a liberal Drawing from theology feminist theory and political philosophy Eric Gregory offers here a liberal ethics of citizenship one less susceptible to anti liberal critics because it is informed by the Augustinian tradition The result is a book that expands Augustinian imaginations for liberalism and liberal imaginations for Augustinianism Gregory examines a broad range of Augustine s texts and their reception in different disciplines and identifies two classical themes which have analogues in secular political theory love and related notions of care solidarity and sympathy and sin as well as related notions of cruelty evil and narrow self interest From an Augustinian point of view Gregory argues love and sin constrain each other in ways that yield a distinctive vision of the limits and possibilities of politics In providing a constructive argument for Christian participation in liberal democratic societies Gregory advances efforts to revive a political theology in which love s relation to justice is prominent **Politics and the Order of Love** will provoke new conversations for those interested in Christian ethics moral psychology and the role of religion in a liberal society [Saturday Review of Politics, Literature, Science and Art](#) ,1912 **Christianity and Modern Politics** Louisa S. Hulett, 2021-06-21 No detailed description available for Christianity and Modern Politics **Political Agape** Timothy P. Jackson, 2015-04-29 What is the place of Christian love in a pluralistic society dedicated to liberty and justice for all What would it mean to take both Jesus Christ and Abraham Lincoln seriously and attempt to translate love of God and neighbor into every quarter of life including law and politics Timothy Jackson addresses such questions in Political Agape Prophetic Christianity and Liberal Democracy Jackson argues that love of God and neighbor is the perilously neglected civil virtue of our time and that it must be considered even before justice in structuring political principles and policies To indicate the specific implications of civic agapism he looks at such issues as the death penalty Christian complicity in the Holocaust the case for same sex marriage and the morality of adoption The book concludes with Jackson s reflections on Martin Luther King Jr as a Christian hero

A Christian Approach to Political Decision-Making Rick Herrick, 2023-11-21 A Christian Approach to Political Decision Making Introducing Whisper Ethics presents a new way of thinking about religion and politics Rather than relying on biblical passage picking it puts God in charge In doing so it provides Christians with a clear path for working with God to make the world a better place **Politics and Piety** Aaron Menikoff, 2014-05-29 Historians have painted a picture of nineteenth century Baptists huddled in clapboard meetinghouses preaching sermons and singing hymns seemingly unaware of the wider world According to this view Baptists were so heavenly minded they were of no earthly good Overlooked are the illustrative stories of Baptists fighting poverty promoting abolition petitioning Congress and debating tax policy **Politics and Piety** is a careful look at antebellum Baptist life It is seen in figures such as John Broadus whose first sermon promoted temperance David Barrow who formed an anti slavery association in Kentucky and in a Savannah church that started a ministry to the homeless Not only did Baptists promote piety for the good of their churches but they did so for the betterment

of society at large Though they aimed to change America one soul at a time that is only part of the story They also engaged the political arena forcefully and directly Simply put Baptists were social reformers Relying on the ideas of rank and file Baptists found in the minutes of local churches and associations as well as the popular parochial newspapers of the day Politics and Piety uncovers a theologically minded and controversial movement to improve the nation Understanding where these Baptists united and divided is a key to unlocking the differences in evangelical political engagement today **The Politics of Post-9/11 Music: Sound, Trauma, and the Music Industry in the Time of Terror** Brian Flota, 2016-02-24 Seeking to extend discussions of 9 11 music beyond the acts typically associated with the September 11th attacks U2 Toby Keith The Dixie Chicks Bruce Springsteen this collection interrogates the politics of a variety of post 9 11 music scenes Contributors add an aural dimension to what has been a visual conceptualization of this important moment in US history by articulating the role that lesser known contemporary musicians have played or have refused to play in constructing a politics of protest in direct response to the trauma inflicted that day Encouraging new conceptualizations of what constitutes political music The Politics of Post 9 11 Music covers topics as diverse as the rise of Internet music distribution Christian punk rock rap music in the Obama era and nostalgia for 1960s political activism

Lincoln And The Politics Of Christian Love Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lincoln And The Politics Of Christian Love free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lincoln And The Politics Of Christian Love free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Lincoln And The Politics Of Christian Love free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lincoln And The

Politics Of Christian Love. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lincoln And The Politics Of Christian Love any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Lincoln And The Politics Of Christian Love Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lincoln And The Politics Of Christian Love is one of the best book in our library for free trial. We provide copy of Lincoln And The Politics Of Christian Love in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lincoln And The Politics Of Christian Love. Where to download Lincoln And The Politics Of Christian Love online for free? Are you looking for Lincoln And The Politics Of Christian Love PDF? This is definitely going to save you time and cash in something you should think about.
