Liam Larson coaxed her out of solitude with the promise of healing her sightless eyes She was hopeful at the prospect of gaining vision for the first time and being reunited with her family She was also growing somewhat fond of the persuasive young doctor For the first time in years she was being magnetically drawn to a new friend Then everything came crashing down Plunged into a hellish nightmare Helen is forced to face the same evils she ran away to escape so long ago She is unprepared to have her hopes crushed and her peace destroyed She finds herself living in constant terror and drowning in fear and Liam s voice is the only thing that can keep her afloat His comforting touch becomes the only light in her pitch black darkness Helen has always been a tough girl who relied only on herself But this time she can t survive alone Due to the horrors of her past Helen has promised herself not to trust anyone When her life becomes unbearable how can she trust Liam enough to let him save her Clarity 3 After many years of darkness Winter never thought that she d be happy or safe again Her whole world changed when she met Liam Larson a charming young doctor determined to be her knight in shining armor When a brutal night unleashes vicious reminders of her past Winter must struggle to hold on to the little bit of happiness she has found When everything begins to fall apart Liam s strength and kindness might not be enough to save her Battling with the betrayal of her family terrifying nightmares and frequent reminders of her enemy that make daily life difficult Winter s first instinct is to run away She is tired of being the victim and living in a cruel crowded city where she doesn t feel like she belongs But Liam promises her that if she only trusts him he can change everything And that s exactly what he attempts to do starting with an operation to heal her eyes and then her heart
