Secrets to List Building B. Vincent, 2024-12-18 Greetings and welcome to Viking List Building This is a unique list building approach that aims to accomplish two objectives 1 establish a list building apparatus in less an hour and 2 obtain high opt in rates This method entails capitalizing on the popularity of video courses in order to create opt ins Why Should I Take Video Courses When it comes to eBooks Free Reports PDFs and the like people have acquired banner blindness It still works particularly if you have the time and money to invest in creating massive spectacularly designed high quality eBooks and reports but even then it simply does not convert as effectively as it used to However when we directed users to opt in pages offering free video lessons we witnessed opt in rates of up to 78 percent This is especially effective when your lead magnet has a unique visual motif or mascot as opposed to a generic name and generic image but we ll get to that in lesson 2
