James Avis

Home Economics Nationalism And The Making Of Migrant Workers In Canada:

Home Economics Nandita Rani Sharma, 2006-01-01 Home Economics is an urgent and much needed reminder that society must pay careful attention to how nationalist ideologies construct homelands that essentially leave the vast majority of the world's migrant peoples homeless

Migration in the 21st Century Pauline Gardiner Barber, Winnie Lem, 2012 This edited collection focuses on global migration in its inter regional international and transnational variants and argues that contemporary migration scholarship is significantly advanced both within anthropology and beyond it when ethnography is theoretically engaged to grapple with the social consequences and asymmetries of twenty first century capitalism's global modalities Drawn from settings across the globe case studies explore the nuanced formations of class and power within particular migration flows while addressing the complex analytics of a contemporary critical political economy of migration Subjects include global migrants as capitalists entrepreneurs and cosmopolitans as well as workers and immigrants who are subject to varying degrees of precariousness under intensified competition for profits within contemporary global economies By re-addressing the question of the relationship between changes in global capitalism and migration the book aims for a timely intervention into the debates on migration which have come to be one of the most contentious emotionally fraught issues in North America and Europe

Beyond Colonialism, Development and Globalization Dominique Caouette, Dip Kapoor, 2015-12-15 Development studies is in a state of flux A new generation of scholars has come to reject what was once regarded as accepted wisdom and increasingly regard development and globalization as part of a continuum with colonialism premised on the same reductionist assumption that progress and growth are objective facts that can be fostered measured assessed and controlled Drawing on a variety of theoretical perspectives and approaches this book explores the ways in which social movements in the Global South are rejecting Western centric notions of development and modernization as well as creating their own alternatives By assessing development theories from the perspective of subaltern groups and movements the contributors posit a new notion of development from below one in which these movements provide new ways of imagining social transformation and a way out of the developmental dead end that has so far characterized post development approaches Beyond Colonialism Development and Globalization therefore represents a radical break with the prevailing narrative of modernization and points to a bold new direction for development studies

Handbook of Migration and Health Felicity Thomas, 2016-12-30 Migration is now firmly embedded as a leading global policy issue of the twenty first century Whilst not a new phenomenon it has altered significantly in recent decades with changing demographics geopolitics conflict climate change and patterns of global development shaping new types of migration Against this evolving backdrop this Handbook offers an authoritative overview of key debates underpinning migration and health in a contemporary global context

Theorising Noncitizenship Katherine Tonkiss, Tendayi Bloom, 2018-09-03 Noncitizenship if it is considered at all is generally seen only as the negation or deprivation of citizenship It is rarely examined in its own right

whether in relation to States to noncitizens or citizens This means that it is difficult to examine successfully the status of noncitizens obligations towards them and the nature of their role in political systems As a result not only are there theoretical black holes but also the real world difficulties created as a result of noncitizenship are not currently successfully addressed In response Theorising Noncitizenship seeks to define the theoretical challenge that noncitizenship presents and to consider why it should be seen as a foundational concept in social science The contributions from leading scholars in the field and across disciplinary backgrounds capture a diversity of perspectives on the meaning position and lived experience of noncitizenship They demonstrate that we need to look beyond citizenship in order to take noncitizenship seriously and to capture fully the lived realities of the contemporary State system This book was previously published as a special issue of Citizenship Studies *Global Reconstructions of Vocational Education and Training* James Avis, 2016-04-08 Vocational education and training VET can be difficult to define since it is set in a turbulent and volatile environment marked by national and regional specificities It can be delivered at different levels and by a variety of providers including community colleges colleges of further education polytechnics and universities as well as importantly private providers This collection reflects the shifting and often messy conceptualisations of VET On one level VET can be associated with the education and training of craft skilled workers or of those who are being prepared for a particular occupational destiny and specific position in the labour market In this instance notions of skill knowledge and dispositions are significant On another level it can raise questions over power and class formation in addition to the way in which these are mediated or intersect with race and gender Moreover there are important political questions addressing the significance of VET in furthering social cohesion and economic regeneration in times of austerity when neoliberalism is hegemonic The chapters in this book are not all of a piece but each in its turn raises important questions about VET its relationship to the economy as well as its global setting This book was originally published as a special issue of Globalisation Societies and Education Gigs, Hustles, & Temps Jason Foster, 2023-04-25 Precarious work contributes to rampant inequality increased insecurity and the crisis of public and mental health Gigs Hustles and Temps explains why In this profoundly troubling and incisive look at the state of work and welfare in Canada Jason Foster reveals the long often hidden process that has left our jobs less secure our livelihoods more uncertain and the pockets of Canada s wealthy fatter than ever This phenomenon the rise of precarious work touches the entire economy and contributes to levels of income inequality unseen since the early 20th century Our world is less secure than it has been in generations Gigs Hustles and Temps describes how we got here and why Jobs across the economy are increasingly more precarious and they share similar characteristics impermanence little to no benefits and no union representation Uber Starbucks and Amazon have led the way Governments are contracting out more labour than ever before Tech companies hire workers on flexible contracts without the prospect of long term employment Migrant workers too are working without a safety net figuratively and literally No matter where you fall on the socio economic ladder your life is

probably more precarious than your parents once was Foster offers insights into the many consequences of our increasingly precarious world He also details some of the less obvious repercussions of precarious work including its contribution to the crisis of mental and public health across Canada Foster argues that the rise of precarious work is more a return to normal for capitalist economies But there is a flip side advances in worker welfare have come through solidarity struggle and negotiation with the forces currently promoting precarious work across Canada s economy Things don t have to be the way they are Gigs Hustles and Temps is a comprehensive accessible and essential guidebook on the road to a better world

Alberta Oil and the Decline of Democracy in Canada Meenal Shrivastava,Lorna Stefanick,2015-10-01 In Democracy in Alberta The Theory and Practice of a Quasi Party System published in 1953 C B Macpherson explored the nature of democracy in a province that was dominated by a single class of producers At the time Macpherson was talking about Alberta farmers but today the province can still be seen as a one industry economy the 1947 discovery of oil in Leduc having inaugurated a new era For all practical purposes the oil rich jurisdiction of Alberta also remains a one party state Not only has there been little opposition to a government that has been in power for over forty years but Alberta ranks behind other provinces in terms of voter turnout while also boasting some of the lowest scores on a variety of social welfare indicators The contributors to Alberta Oil and the Decline of Democracy critically assess the political peculiarities of Alberta and the impact of the government s relationship to the oil industry on the lives of the province s most vulnerable citizens They also examine the public policy environment and the entrenchment of neoliberal political ideology in the province In probing the relationship between oil dependency and democracy in the context of an industrialized nation Alberta Oil and the Decline of Democracy offers a crucial test of the oil inhibits democracy thesis that has hitherto been advanced in relation to oil producing countries in the Global South If reliance on oil production appears to undermine democratic participation and governance in Alberta then what does the Alberta case suggest for the future of democracy in industrialized nations such as the United States and Australia which are now in the process of exploiting their own substantial shale oil reserves The environmental consequences of oil production have for example been the subject of much attention Little is likely to change however if citizens of oil rich countries cannot effectively intervene to influence government policy Policing Black Lives Robyn Maynard,2025-08-22 This revised and expanded edition of Robyn Maynard s bestselling Policing Black Lives offers a comprehensive account of policing Black life in Canada Maynard documents how a half a century of police reforms have expanded the scope and scale of policing and perpetuated anti Black violence Offering a compelling vision for making policing obsolete in the wake of global Black uprisings in 2020 this essential text will guide and inspire activists students scholars and all those working toward Black futures beyond surveillance and confinement **Beyond Binaries and Polarization?** Elke Winter,2025-06-30 This book explores what lies between the statuses of insider and outsider in immigrant nations It asks Who is conditionally included excluded in relation to whom and for what reasons What does this

conditional inclusion exclusion entail in terms of citizenship material resources and sense of belonging How does it affect the cultural and economic well being of refugees migrants and the host society The focus is on Canada which is often described as the quintessential immigrant nation The chapters in this book provide new insights into several hotly contested issues the overlapping cultural and economic logics of nationalist inclusion exclusion the growing prevalence of temporary and two step migration regimes the importance of cities in managing multiculturalism the need to disaggregate minority groups and the intersections of race class and gender in narratives of nationhood By shifting the focus of research from us them binaries to the study of relational inclusion exclusion involving three or more actors or groups this book highlights the often overlooked conditionality and temporality of immigrant inclusion the messiness of policies aimed at ethnic diversity and the uneven distribution of attitudes among members of minority groups This book will be valuable for scholars students and policymakers in the fields of sociology political science migration studies and Canadian studies The chapters in this book were originally published as a special issue of *Nationalism and Ethnic Politics* and are accompanied with a new Foreword a comprehensive glossary and critical engagement questions

Change and Continuity Mark P. Thomas, Leah F. Vosko, Carlo Fanelli, Olena Lyubchenko, 2019-08-28 In a period characterized by growing social inequality precarious work the legacies of settler colonialism and the emergence of new social movements *Change and Continuity* presents innovative interdisciplinary research as a guide to understanding Canada's political economy and a contribution to progressive social change Assessing the legacy of the Canadian political economy tradition a broad body of social science research on power inequality and change in society the essays in this volume offer insight into contemporary issues and chart new directions for future study Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research seeking new understandings of the forces that shape society the ensuing conflicts and contradictions and the potential for social justice Engaging with interconnected topics that include shifts in immigration policy labour market restructuring settler colonialism the experiences of people with disabilities and the revitalization of workers movements this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada The latest in a series of related volumes on Canadian political economy *Change and Continuity* explores the past present and potential futures of the discipline in a global context offering insight into some of the most pressing issues of our time

Research Handbook on Transnational Labour Law Adelle Blackett, Anne Trebilcock, 2015-09-25 The editors substantive introduction and the specially commissioned chapters in the Handbook explore the emergence of transnational labour law as a field along with its contested contours The expansion of traditional legal methods such as treaties is juxtaposed with the proliferation of contemporary alternatives such as indicators framework agreements and consumer led initiatives Key international and regional institutions are studied for their coverage of such classic topics as freedom of association equality and sectoral labour standard setting as well as for the space they provide for dialogue The volume underscores transnational

labour law s capacity to build bridges including on migration climate change and development **Immigration, Racial and Ethnic Studies in 150 Years of Canada**, 2019-01-21 Canada s history since its birth as a nation one hundred and fifty years ago is one of immigration nation building and contested racial and ethnic relations In *Immigration Racial and Ethnic Studies in 150 Years of Canada* Retrospects and Prospects scholars provide a wide ranging overview of this history with a core theme being one of enduring racial and ethnic conflict and inequality The volume is organized around four themes where in each theme selected racial and ethnic issues are examined critically Part 1 focuses on the history of Canadian immigration and nation building while Part 2 looks at situating contemporary Canada in terms of the debates in the literature on ethnicity and race Part 3 revisits specific racial and ethnic studies in Canada and finally in Part 4 a state of the art is provided on immigration and racial and ethnic studies while providing prospects for the future Contributors are Victor Armony David Este Augie Fleras Peter R Grant Shibao Guo Abdolmohammad Kazemipur Anne Marie Livingstone Adina Madularea Ayesha Mian Akram Nilum Panesar Yolande Pottie Sherman Paul Pritchard Howard Ramos Daniel W Robertson Vic Satzewich Morton Weinfeld Rima Wilkes Lori Wilkinson Elke Winter Nelson Wiseman Lloyd Wong and Henry Yu

Indigenous Women, Work, and History Mary Jane Logan McCallum, 2014-05-02 When dealing with Indigenous women s history we are conditioned to think about women as private sphere figures circumscribed by the home the reserve and the community Moreover in many ways Indigenous men and women have been cast in static pre modern and one dimensional identities and their twentieth century experiences reduced to a singular story of decline and loss In *Indigenous Women Work and History* historian Mary Jane Logan McCallum rejects both of these long standing conventions by presenting case studies of Indigenous domestic servants hairdressers community health representatives and nurses working in modern Native ways between 1940 and 1980 Based on a range of sources including the records of the Departments of Indian Affairs and National Health and Welfare interviews and print and audio visual media McCallum shows how state run education and placement programs were part of Canada s larger vision of assimilation and extinguishment of treaty obligations Conversely she also shows how Indigenous women link these same programs to their social and cultural responsibilities of community building and state resistance By placing the history of these modern workers within a broader historical context of Aboriginal education and health federal labour programs post war Aboriginal economic and political developments and Aboriginal professional organizations McCallum challenges us to think about Indigenous women s history in entirely new ways

Liberating Temporariness? Leah F. Vosko, Valerie Preston, Robert Latham, 2014-06-01 *Liberating Temporariness* explores the complex ways in which temporariness is being institutionalized as a condition of life for a growing number of people worldwide The collection emphasizes contemporary developments but also provides historical context on nation state membership as the fundamental means for accessing rights in an era of expanding temporariness in recognition of why pathways to permanence remain so compelling Through empirical and theoretical analysis contributors explore various

dimensions of temporariness especially as it relates to the legal status of migrants and refugees to the spread of precarious employment and to limitations on social rights While the focus is on Canada a number of chapters investigate and contrast developments in Canada with those in Europe as well as Australia and the United States Together these essays reveal changing and enduring temporariness at local regional national transnational and global levels and in different domains such as health care language programs and security The question at the heart of this collection is whether temporariness can be liberated from current constraints While not denying the desirability of permanence for migrants and labourers **Liberating Temporariness** presents alternative possibilities of security and liberation **Ghost Citizens** Jamie Chai Yun

Liew,2024-02-22T00:00:00Z **Ghost Citizens** is about in situ stateless people persons who live in a country they consider their own but which does not recognize them as citizens Liew develops the concept of the ghost citizen to understand a global experience and a double oppression of being invisible and feared in law The term also refers to two troubling state practices ghosting their own citizens and conferring ghost citizenship casting persons as foreigners without legal proof Told through an examination of law legal processes and interviews with stateless persons and their advocates this deeply researched book examines international and domestic jurisprudence as well as administrative decision making to show an emerging practice where states are pointing to a mother figure constructed in law as racialized foreign and potentially disloyal to depict persons as not kin and therefore the responsibility of other states By tracing British colonial legal vestiges in the case study of Malaysia Liew shows how contemporary post colonial democratic and multi juridical states deploy law and its processes and historical ideas of racial categories to create and maintain statelessness This book challenges established norms of state recognition and calls for a discussion of ideas borrowed from other areas of law including Indigenous legal traditions and family law on how we should organize our communities with more respectful relations and treatment among kin **The**

Elgar Companion to Valleys Luis LM Aguiar,Donna Senese,Diana E. French,2023-11-03 This unique Companion showcases the importance of valleys and their socio economic physical and cultural landscapes across three continents Expert scholars in the field offer a broad range of disciplinary perspectives on the topic discussing key historical and contemporary issues governing and transforming valleys **Power and Everyday Practices, Second Edition** Deborah Brock,Aryn Martin,Rebecca

Raby,Mark Thomas,2019-08-22 This unique and innovative text provides undergraduate students with tools to think sociologically through the lens of everyday life Normative social organization and taken for granted beliefs and actions are exposed as key mechanisms of power and social inequality in western societies today By unpacking the centre students are encouraged to turn their social worlds inside out and explore alternatives to the dominant social order The text is divided into three parts In Part One students learn how to use theory and methodology which are blended seamlessly throughout the text It shows how to position Michel Foucault as a companion to theorists such as Karl Marx and Stuart Hall while signaling the importance of non western and Indigenous knowledges experiences and rights In Part Two students explore and challenge

normativity the normal body heterosexuality whiteness the two gender system aging and the under side of citizenship In Part Three shorter chapters critique everyday practices such as thinking scientifically practicing self help going shopping managing money buying coffee being a tourist and marginalizing Indigeneity Each chapter includes intriguing exercises study questions and key terms that link to the volume s comprehensive glossary Instructors are provided PowerPoint slides test banks and multimodal supplementary resources that make the book adaptable to blended and online learning environments Essay style lectures are also available to accompany the textbook

Temporary Labour Migration in the Global Era Joanna Howe, Rosemary Owens, 2016-11-17 In the global era controversies abound over temporary labour migration however it has not previously been subjected to a sustained socio legal analysis on a comparative basis critiquing the underpinning concepts conventionally accepted as fundamental in this area This collection of essays aims to fill that void Complex regulatory challenges arise from temporary labour migration This collection examines these challenges and the extent to which temporary labour migration programmes can be ethical equitable and efficacious and so deliver decent work for workers Whilst the tendency for migration law to divide labour law s worker protective mission has been observed before the authors of the chapters comprising this collection seek not only to interrogate why and how this is so but to go further in examining the implications and effects of a wide range of regulatory mechanisms on temporary labour migration

Immigrant Experiences in North America Harald Bauder, John Shields, 2015-05-01 Immigration settlement and integration are vital issues in the twenty first century they propel economic development transform cities and towns shape political debate and challenge established national identities This original collection provides the first comprehensive introduction to the contemporary immigrant experience in both the United States and Canada by exploring national regional and metropolitan contexts With essays by an interdisciplinary team of American and Canadian scholars this volume explores major themes such as immigration policy labour markets and the economy gender demographic and settlement patterns health well being and food security education and media Each chapter includes instructive case examples recommended further readings links to web based resources and questions for critical thought Engaging and accessible Immigrant Experiences in North America will appeal to students and instructors across the social sciences including geography political science sociology policy studies and urban and regional planning

Home Economics Nationalism And The Making Of Migrant Workers In Canada Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-

friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Home Economics Nationalism And The Making Of Migrant Workers In Canada Books

What is a Home Economics Nationalism And The Making Of Migrant Workers In Canada PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Home Economics Nationalism And The Making Of Migrant Workers In Canada PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Home Economics Nationalism And The Making Of Migrant Workers In Canada PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Home Economics Nationalism And The Making Of Migrant Workers In Canada PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Home Economics Nationalism And The Making Of**

Migrant Workers In Canada PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
