and highly regarded teacher the tides of his life turn forever Ibrahimah is sent to the capital city of Dakar to join his cousin tienne in studying the Koran under Marabout Ahmed for a year but instead of the days of learning that Ibrahimah s parents imagine the young boys called Talib are forced to beg in the streets in order to line their teacher s pockets To make it back home tienne and Ibrahimah must help each other survive both the dangers posed by their Marabout and the darker sides of Dakar threats of black market organ traders rival packs of Talib and mounting student protest on the streets Drawn from real incidents and transporting readers between rural and urban Senegal No Heaven for Good Boys is a tale of hope resilience and the affirming power of love
