Proving Homeopathy Case Adams,2024-01-28

Homeopathy is an old medical science with a history of clinical success It is also controversial with many detractors who propose homeopathy has no mechanism of action In *Proving Homeopathy* the author presents the scientific basis for the mechanisms of action for homeopathy proving that it has the therapeutic potential but only under the right conditions Utilizing a compendium of scientific resources the reader is taken through the fundamentals and the research providing an invaluable resource for those who utilize homeopathy as either practitioners or patients Note This is not a diagnostic resource

Complementary Therapies for Postdates Pregnancy Denise Tiran,2022-12-21 Exploring one of the most prevalent yet contentious subjects in contemporary maternity care Denise Tiran s new book on postdates pregnancy balances discussion of midwifery care and the obstetric management of women who are overdue The book gives comprehensive coverage of a range of complementary therapies and natural remedies and how they may be effective in facilitating spontaneous onset of labour It also takes into consideration the debate on the safety and effectiveness of natural remedies which women often self administer Illustrated with case studies and referenced to authoritative review papers

Complementary Therapies for Postdates Pregnancy is a must have guide for midwives and maternity professionals St. Louis Journal of Homeopathy and Clinical Reporter ,1888

Transactions of the American Institute of Homeopathy ,1902

Supporting Women to Give Birth at Home Mary Steen,2012-03-12 *Supporting Women to Give Birth at Home* describes and discusses the main challenges and issues that midwives and maternity services encounter when preparing for and attending a home birth To ensure that a home birth is a real option for women midwives need to be able to believe in a woman s ability to give birth at home and to promote this birth option providing evidence based information about benefits and risks This practical guide will help midwives to have the necessary skills resources and confidence to support homebirth The book includes the present birth choices a woman has the implications homebirth has upon midwifery practice how midwives can prepare and support women and their families the midwife s role and responsibilities national and local policies guidelines and available resources pain management options With a range of recent home birth case studies brought together in the final chapter this accessible text provides a valuable insight into those considering homebirth *Supporting Women to Give Birth at Home* will be of interest to students studying issues around normal birth and will be an important resource for clinically based midwives in particular community based midwives home birth midwifery teams independent midwives and all who are interested in homebirth as a genuine choice
