Grace in the Wilderness Francis Wagner, 2014-11-11

You are not alone This is the promise of God s Word God is prepared to meet us in the midst of life s struggles journey with us and lead us through the wilderness This is grace in the wilderness as the prophet Jeremiah wrote to give hope to the exiled Israelites Written by Benedictine monk Br Francis Wagner the scriptural reflections presented in Grace in the Wilderness simply retell this story The hope is that this book will help enhance readers own reflections on Scripture and its relation to their life so that they may experience grace in the wilderness the very presence of God

Divine Communion Jay Emerson Johnson, 2013-10-01 Food sex and God these intertwine at the heart of Christian faith and practice This book invites Christian communities to reflect theologically and spiritually on the desire for God and the desire for sexual intimacy as the same fundamental desire for communion This is likewise God s own desire to be in communion with us which Christians celebrate whenever we share a simple meal of bread and wine at the Eucharistic table The longing for intimacy and its disruptions echo throughout our political contestations economic systems racial and ethnic conflicts and ecological crises In no small measure the vitality of Christian witness to the Gospel in the twenty first century depends on exploring the depths of desire itself in the ancient hope for Divine Communion made new

Queering Contemplation Cassidy Hall, 2024-05-21 What would it mean to queer contemplation To disentangle contemplative spirituality from heteronormativity patriarchy and Eurocentricity and instead engage with openness curiosity and a little weirdness The world of contemplative Christianity has yielded to the same voices for far too long many of whom are from centuries before our time with lives unlike our own and often from experiences disconnected from marginalization oppression and what it feels like to be an outsider Cassidy Hall an LGBTQIA Christian contemplative scholar and podcast host takes us on a journey to queer the contemplative tradition For Hall queering is not solely about identifying as queer or applying queer theory it is about what is gained by seeing things differently Queer she says is the way I tilt my head to look at the world As queerness reawakened her own contemplative life Hall discovered that queering and questioning the tradition allowed her to listen more closely to voices that are queer marginalized and oppressed voices that have long existed but have often been overlooked or silenced For Hall that also meant moving differently into contemplation into silence into liminality and ritual In showing us the way she helps us envision what contemplative faith can look like what spiritual spaces we can reclaim for welcome and how queering contemplation and lifting up queer contemplative voices frees us to seek the infinite possibility of our own identity and engage our spiritual lives with open hearts and open hands Whether you re queer or want to queer your own perspectives or whether you want to uncover the queerness and queer voices in the contemplative tradition Hall throws open the doors of contemplative spirituality for all bringing us to contemplation in very new sometimes old but always queer ways

Fruitful Embraces Evelyn E. Whitehead, 2014-09-10 Sexuality and justice often seem odd bedfellows Sexual embraces of intimacy and passion thrive in our private lives while justice safeguards the laws and duties that govern the public realm Yet intuitively we sense there are deeper connections Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Ireneaus the glory of God is the human person fully alive Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality love and justice on the spiritual journey today While drawing on biblical themes and contemporary psychological insight the Whiteheads examine modern experiences of attachment and vulnerability marriage and friendship compassion and sexual diversity and the psychological and spiritual experiences of transgender persons a new and often bewildering consideration for many Christians Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world Fruitful Embraces utilizes Christian theology and effective pastoral ministry to explore the vital

connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation Transforming Our Painful Emotions: Spiritual Resources in Anger, Shame, Grief, Fear and Loneliness Evelyn Eaton Whitehead and James D. Whitehead,2010 **Sacred Disobedience** Sharon L. Coggan,2020-07-07 Sacred Disobedience A Jungian Analysis of the Saga of Pan and the Devil traces the ancient Greek God Pan who became distorted into the image of the Devil in early Christianity When Pan was demonized the powerful qualities he represented became repressed as Pan s visage twisted into the model of the Devil This book follows a Jungian analysis of this development In ancient Greek religion Pan was worshipped as an honored deity corresponding to an inner psycho spiritual condition in which the primitive qualities he represented were fully integrated into consciousness and these qualities were valued and affirmed as holy But in the era of early Christianity Pan dies and the Devil is born a twisted inflation possibly due to an underlying repression In the Jungian system repressed psychic contents do not disappear as proponents of the new order tacitly assume but distort and grow more powerful or inflate to cripple the psyche that refuses to incorporate these split off elements Repressed contents will expand to explosive force as the repressed elements eventually return regressively from below It becomes important then to understand what qualities the primitive Goat God carried to appreciate what was repressed in the Western psycho spiritual system and what subsequently needs reintegration Psychology of Religion and Families Loren D. It proposes a pneumatological model for creativity and the arts and discusses different art forms from the perspective of that model Pentecostals and other charismatic Christians have not sufficiently worked out matters of aesthetics or teased out the great religious possibilities of engaging with the arts With the flourishing of Pentecostal culture comes the potential for an equally flourishing artistic life As this book demonstrates renewal movements have participated in the arts but have not systematized their findings in ways that express their theological commitments until now The book examines how to approach art in ways that are communal dialogical and theologically cultivating *Verschwiegene Wunden* Wunibald Müller, 2010-11-30 Die Katholische Kirche ist in Aufruhr In bedr ckend gro er Anzahl treten Opfer sexuellen Missbrauchs ans Licht ihre Verletzungen finden Sprache Kirchliches Personal Priester M nche Erzieher stehen am Pranger Unbedingte Solidarit t mit den Opfern macht einen differenzierten Blick auf Ursachen der augenblicklichen Notsituation dringlich Wunibald M ller erfahrener Psychotherapeut und Theologe kennt die Situation sexuellen Missbrauchs in der Kirche aufgrund seiner t glichen Arbeit bestens Der renommierte Fachmann kl rt f r das Thema Missbrauch wesentliche Hintergr nde u a Z libat Homosexualit t P dophilie Er analysiert hierarchische Beziehungen die zum Missbrauch f hren k nnen und liefert spirituell und therapeutisch tragf hige Hilfestellungen um der dramatischen Situation pr ventiv und nachhaltig zu begegnen
