Speech-Language Pathologist's Guide to Home Health Care Roberta Pierce, 1999-12-13 Roberta B Pierce has worked extensively with patients of all ages and all types of communication disorders for over thirty years. She has experience in an out-patient rehabilitation center, a rehabilitation hospital, an acute care hospital, and private practice. Since 1975, she has contracted to provide speech language pathology services to home health agencies. She shares this expertise with clinicians just entering the home health field in the *Speech Language Pathologist's Guide to Home Health Care*. This book contains reference materials, patient and family counseling and education materials, and treatment activities that are invaluable for working with the adult neurogenic population in all healthcare settings. Content coverage includes diagnostics, documentation, counseling the patient and family, treatment procedures, and therapy activities. **The Home Health Aide Handbook** Jetta Lee Fuzy, 2006 The *Home Health Aide Handbook* is unlike any other handbook or pocket guide on the market. Not only is it inexpensive, but it's full color, loaded with photos and illustrations. Use it for training and encourage your aides to carry it with them into the field to use as a quick reference tool. The second edition contains updated information on all of the federal requirements for home health aides, a considerable emphasis on observing and reporting HIPAA and how to protect a client's privacy, home care focus boxes, nutrition, and the USDA's MyPyramid. Numerous procedures emphasize how they are performed in the home, including a new two-step procedure for taking blood pressure, care guidelines for specific diseases, pain management chart, medical and commonly used abbreviations, mercury-free thermometers, home care specific tips for housekeeping and cooking, disaster guidelines, comprehensive glossary, and easy-to-use index, including a table of where to find procedures. **The OTA's Guide to Writing SOAP Notes** Sherry Borcharding, Marie J. Morreale, 2007 Written specifically for occupational therapy assistants, *The OTA's Guide to Writing SOAP Notes*, Second Edition, is updated to include new features and information. This valuable text contains the step-by-step instruction needed to learn the documentation required for reimbursement in occupational therapy. With the current changes in healthcare, proper documentation of client care is essential to meeting legal and ethical standards for reimbursement of services. Written in an easy-to-read format, this new edition by Sherry Borcharding and Marie J. Morreale will continue to aid occupational therapy assistants in learning to write SOAP notes that will be reimbursable under Medicare Part B and managed care for different areas of clinical practice. New Features in the Second Edition: Incorporated throughout the text is the Occupational Therapy Practice Framework along with updated AOTA documents. More examples of pediatrics, hand therapy, and mental health. Updated and additional worksheets. Review of grammar, documentation mistakes. Worksheets for deciphering physician orders as well as expanded worksheets for medical abbreviations. Updated information on billing codes, HIPAA management of health information, medical records, and electronic documentation. Expanded information on the OT process for the OTA to fully understand documentation and the OTA's role in all stages of treatment, including referral, evaluation, intervention plan.

and discharge Documentation of physical agent modalities With reorganized and shorter chapters The OTA's Guide to Writing SOAP Notes Second Edition is the essential text to providing instruction in writing SOAP notes specifically aimed at the OTA practitioner and student This exceptional edition offers both the necessary instruction and multiple opportunities to practice as skills are built on each other in a logical manner Templates are provided for beginning students to use in formatting SOAP notes and the task of documentation is broken down into small units to make learning easier A detachable summary sheet is included that can be pulled out and carried to clinical sites as a reminder of the necessary contents for a SOAP note Updated information expanded discussions and reorganized learning tools make The OTA's Guide to Writing SOAP Notes Second Edition a must have for all occupational therapy assistant students This text is the essential resource needed to master professional documentation skills in today's healthcare environment Providing Home Care William Leahy, 2004 The second edition of Providing Home Care A Textbook for Home Health Aides the accompanying workbook and the instructor's guide are now available This book will help your aides master what they need to know to provide excellent compassionate care to clients with very different needs This book is organized around learning objectives with colored tabs for easy location of material The second edition contains new and or updated information on HIPPA and protecting a client's privacy MRSA and VRE Care for the client with COPD Cultural sensitivity Hip replacement care Mercury free thermometers Disinfection and sterilization NEW two step procedure for taking blood pressure We also condensed and made the anatomy and physiology chapter more basic added chapter review questions and updated the design and many of the illustrations
