McAuliffe the pastor of Saint Finian's parish in Forest Springs is weary and worn out his priesthood and faith in tatters Once
literally a bomb throwing radical and then a Vatican Council liberal Lar McAuliffe has grown old and cynical To make matters
worse he's smart enough to know what is happening to him God the cardinal or some combination of the two plays a dirty
trick on Lar by sending him Father James Stephen Michael Finbar Keenan the new priest Lar expects a classic confrontation
between young and old between sardonic maturity and enthusiastic inexperience But the new priest does not fit the
stereotype and the two become friends Together they face the conflicts and joys the hopes and pains of the contemporary
Catholic parish the old fashioned school principal the broken family the reactionary finance committee frustrated young
lovers and the chancery office and a timid Cardinal who interferes with the priest's work on every possible occasion
Alternately sad and uproariously funny *The Cardinal Virtues* is about the meaning of religion the meaning of faith and the
meaning of life At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
