Gary Kelly

Hawkwood The Regency Crime Thrillers:

Hawkwood James McGee, 2021-11-15 James McGee's historical crime thriller introduces a Regency era James Bond who uncovers a sinister Napoleonic plot against Britain. The year is 1811 and Bow Street Runner Matthew Hawkwood is ordered by Chief Magistrate James Read to investigate the double murder of a coachman and a naval courier on the Kent Road. Hawkwood initially wonders why Read is so concerned by this relatively mundane case but before long another body is discovered and a higher agenda emerges: an attempt by the Emperor Napoleon to deliver a crushing military and psychological blow to Britain that could lead to cause terror on the seas for years to come. Gripping and fast-paced, the first book in the Hawkwood Mysteries is an impressively researched novel of suspense that features an enigmatic hero facing a dangerous threat to his homeland during the Napoleonic Wars.

Resurrectionist James McGee, 2021-11-15 Hawkwood is back in the second adventure in the rollicking historical series featuring the enigmatic Bow Street Runner. Death can be a lucrative business. But it's the corpses the body snatchers leave behind horribly mutilated and nailed to a tree which sets Bow Street Runner Matthew Hawkwood on their trail. A new term at London's anatomy schools stokes demand for fresh corpses and the city's resurrection men vie for control of the market. Their rivalry takes an ugly turn when a grave robber is brutally murdered and his body displayed as a warning to other gangs. To hunt down those responsible Hawkwood must venture into London's murkiest corners where even more gruesome discoveries await him. Nowhere however is as grim as Bedlam, notorious asylum for the insane and scene of another bizarre killing. Sent to investigate Hawkwood finds himself pitted against his most formidable adversary yet: an obsessive genius hell-bent on advancing the cause of science at all costs.

Rapscallion James McGee, 2013-05-07 In the third adventure featuring the James Bond of the Regency Era, Matthew Hawkwood goes undercover to hunt down smugglers and traitors at the height of the Napoleonic Wars. For a French prisoner of war, there is only one fate worse than the gallows: the hulks. Former man-o-wars now converted to prison ships, their fearsome reputation guarantees a sentence served in dreadful conditions. Few survive. Escape, it's said, is impossible. Yet reports persist of a sinister smuggling operation within this brutal world and the Royal Navy is worried enough to send two of its officers to investigate. When they disappear without a trace, the Navy turns in desperation to Bow Street for help. It's time to send in a man as dangerous as the prey. It's time to send in Hawkwood.

Rebellion James McGee, 2021-11-15 October 1812 Britain and France are still at war. France is engaged on two battle fronts: Spain and Russia, and her civilians are growing weary of the fight. Rebellion is brewing. Since Napoleon Bonaparte appointed himself as First Consul, there have been several attempts to either kill or overthrow him. All have failed so far. Meanwhile in London, Bow Street Runner Matthew Hawkwood has been seconded to the foreign arm of the Secret Service. There he meets the urbane Henry Brooke, who tells him he's to join a colleague in Paris on a special mission. Brooke's agent has come up with a daring plan and he needs Hawkwood's help to put it into action. If the plan is successful, it could lead to a negotiated peace treaty between France and

the allies Failure would mean prison torture and a meeting with the guillotine *Newgate Narratives Vol 2* Gary Kelly, 2017-09-29 Presents a representative body of Romantic and early Victorian crime literature This work contains ephemeral material ranging from gallows broadsides to reports into prison conditions It is suitable for those studying Literature Romantic and Victorian popular culture Dickens Studies and the History of Criminology **Ratcatcher** James McGee, 2006 Regency London is vividly brought to life in this extraordinary page turner the first in a series of historical thrillers featuring Bow Street Runner Matthew Hawkwood a complex and fascinating hero Hunting down highwaymen was not the usual preserve of a Bow Street Runner As the most resourceful of this elite band of investigators Matthew Hawkwood was surprised to be assigned the case even if it did involve the murder and mutilation of a naval courier From the squalor of St Giles Rookery London's notorious den of thieves and cutthroats to the palatial homes of the aristocracy where knights of the realm conduct themselves in a manner unbecoming to their rank Hawkwood relentlessly pursues his quarry And as the case unfolds and another body is discovered the true agenda behind the robbery begins to emerge the stolen naval dispatch pouch held details of a French plot that if successful will send the Royal Navy's entire fleet scurrying to port in terror leaving Napoleon to rule the waves With no way of knowing who can be trusted Hawkwood must engage in a desperate race against time to prevent the successful execution of the Emperor's plot *Resurrectionist* James McGee, 2008-09-04 Hawkwood the Regency James Bond returns in this gripping action packed sequel to the bestselling **Ratcatcher** **TLS, the Times Literary Supplement**, 1969 **The Reckoning** JAMES. MCGEE, 2018-08-09 One killer with everything to lose One man with nothing to fear The 6th historical thriller featuring Matthew Hawkwood Bow Street Runner and Spy now hunting a killer on the loose in Regency London London 1813 Bow Street Runner Matthew Hawkwood is summoned to a burial ground and finds the corpse of a young woman murdered and cast into an open grave At first the death is deemed to be of little consequence But when Chief Magistrate James Read receives a direct order from the Home Office to abandon the case Hawkwood's interest is piqued His hunt for the killer will lead him from London's backstreets into the heart of a government determined to protect its secrets at all costs Only Hawkwood's contacts within the criminal underworld can now help As the truth behind the girl's murder emerges setting in motion a deadly chain of events Hawkwood learns the true meaning of loyalty and that the enemy is much closer to home than he ever imagined **Honour and Obey** Carol Hedges, 2014 When a young woman's body is discovered lying in an alleyway off Carnaby Street Detectives Stride and Cully do not realise that her brutal murder is only the beginning of a killing spree that will terrify the whole of London and leave them both baffled It will take all their skill and deductive powers to track down the serial killer and their investigation will lead them into new and frightening territory Meanwhile Hyacinth Clout a young woman of some beauty but few prospects decides to end the servitude of her life looking after her dictatorial sister by seeking love instead She is not alone love is in the air for several young women in 1861 London but will their search lead to romance or ruin **Honour Obey** is the long awaited sequel to the

much acclaimed Diamonds Dust once again featuring Detective Inspector Leo Stride and his assistant Detective Sergeant Jack Cully of the recently formed Detective Division of the Metropolitan Police Grab DIAMONDS DUST the first in this electrifying series *Murder at Queen's Landing* Andrea Penrose,2020-09-29 The many strands of a dark mystery entangle Lady Charlotte Sloane and the Earl of Wrexford in a dangerous web of secrets and lies that will call into question how much they really know about the people they hold dear and about each other When Lady Cordelia a brilliant mathematician and her brother Lord Woodbridge disappear from London rumors swirl concerning fraudulent bank loans and a secret consortium engaged in an illicit and highly profitable trading scheme that threatens the entire British economy The incriminating evidence mounts but for Charlotte and Wrexford it s a question of loyalty and friendship And so they begin a new investigation to clear the siblings names uncover their whereabouts and unravel the truth behind the whispers Charlotte and Wrexford also struggle to navigate their increasingly complex feelings for each other But the clock is ticking a cunning mastermind has emerged along with some unexpected allies and Charlotte and Wrexford must race to prevent myriad disasters as they are forced into a dangerous game of wits in an attempt to beat the enemy at his own game Praise for the Wrexford Sloane Historical Mysteries Penrose deftly combines a Regency romance with a tricky mystery that delves into social unrest and the darker side of this storied period Kirkus Reviews Its complex story line and authentic historical details bring the early days of the Industrial Revolution vividly to life Bound to fascinate readers of C S Harris and even fans of Victorian mysteries Library Journal Starred Review **Murder at Half Moon Gate** Andrea Penrose,2018 A wealthy lord who is a brilliant scientist an enigmatic young widow who secretly pens satirical cartoons a violent killing disguised as a robbery Nothing is as it seems in Regency London especially when the Earl of Wrexford and Charlotte Sloane join forces to solve a shocking murder *Winter's Season* R. J. Koreto,2026-01-20 In 1817 London Before the Police There Was Captain Winter London 1817 A city teeming with life yet lacking a professional police force When a wealthy young woman is brutally murdered in an alley frequented by prostitutes a shadowy government bureau in Whitehall dispatches its special emissary Captain Winter A veteran of the Napoleonic Wars and a gentleman forged by chance and conflict Winter is uniquely equipped to navigate the treacherous currents of London society from aristocratic drawing rooms to the city s grimmest taverns Without an army of officers or the aid of forensic science Winter must rely on his wits and a network of unconventional allies His childhood friend a nobleman opens doors in high society while a wise Jewish physician uncovers secrets the dead cannot hide But Winter s most intriguing and potentially dangerous asset is Barbara Lightwood Shrewd beautiful and operating as a discreet intermediary among the elite Barbara shares a past with Winter from the war years Their rekindled affair is fraught with wariness she offers intimate information crucial to his investigation but guards her own secrets fiercely Like Winter she is both cunning and capable of danger From grand houses to dimly lit streets death stalks Captain Winter He must tread carefully to unmask a killer navigate a web of secrets and lies and perhaps in the process save his own soul **The King's**

Evil (James Marwood & Cat Lovett, Book 3) Andrew Taylor, 2019-04-04 Winner of The HWA Gold Crown 2020 From the No 1 bestselling author of *The Ashes of London* and *The Fire Court* comes the next book in the phenomenally successful series following James Marwood at the time of King Charles II

Murder at Kensington Palace Andrea Penrose, 2020-08-25 Wrexford and Sloane must unravel secrets within secrets including a few that entangle their own hearts when they reunite to solve a string of shocking murders that have horrified Regency London Though Charlotte Sloane's secret identity as the controversial cartoonist A J Quill is safe with the Earl of Wrexford she is ill prepared for the rippling effects sharing the truth about her background has cast over their relationship She thought a bit of space might improve the situation But when her cousin is murdered and his twin brother is accused of the gruesome crime Charlotte immediately turns to Wrexford for help in proving the young man's innocence Though she finds the brooding scientist just as enigmatic and intense as ever their partnership is now marked by an unfamiliar tension that seems to complicate every encounter Despite this newfound complexity Wrexford and Charlotte are determined to track down the real killer Their investigation leads them on a dangerous chase through Mayfair's glittering ballrooms and opulent drawing rooms where gossip and rumors swirl to confuse the facts The more Charlotte and Wrexford try to unknot the truth the more tangled it becomes But they must solve the case soon before the killer's madness seizes another victim Praise for the Wrexford Sloane Historical Mysteries Penrose deftly combines a Regency romance with a tricky mystery that delves into social unrest and the darker side of this storied period Kirkus Reviews Its complex story line and authentic historical details bring the early days of the Industrial Revolution vividly to life Bound to fascinate readers of C S Harris and even fans of Victorian mysteries Library Journal Starred Review
