Tony Abou Ganim The Modern Mixologist [Working in the Magic City](#) Thomas A. Castillo, 2022-06-28 In the early twentieth century Miami cultivated an image of itself as a destination for leisure and sunshine free from labor strife Thomas A Castillo unpacks this idea of class harmony and the language that articulated its presence by delving into the conflicts repression and progressive grassroots politics of the time Castillo pays particular attention to how class and race relations reflected and reinforced the nature of power in Miami Class harmony argued against the existence of labor conflict but in reality obscured how workers struggled within the city s service oriented

seasonal economy Castillo shows how and why such an ideal thrived in Miami's atmosphere of growth and boosterism and amidst the political economy of tourism His analysis also presents class harmony as a theoretical framework that broadens our definitions of class conflict and class consciousness *White Sand Black Beach* Bush, Gregory W, 2016-07-20 Florida Historical Society Harry T and Harriette V Moore Award Florida Book Awards Silver Medal for Florida Nonfiction In May 1945 activists staged a wade in at a whites only beach in Miami protesting the Jim Crow era laws that denied blacks access to recreational waterfront areas Pressured by protestors in this first postwar civil rights demonstration the Dade County Commission ultimately designated the difficult to access Virginia Key as a beach for African Americans The beach became vitally important to the community offering a place to congregate with family and friends and to enjoy the natural wonders of the area It was also a tangible victory in the continuing struggle for civil rights in public space As Florida beaches were later desegregated many viewed Virginia Key as symbolic of an oppressive past and ceased to patronize it At the same time white leaders responded to desegregation by decreasing attention to and funding for public spaces in general The beach was largely ignored and eventually shut down In *White Sand Black Beach* historian and longtime Miami activist Gregory Bush recounts this unique story and the current state of the public waterfront in Miami Recently environmentalists community leaders and civil rights activists have come together to revitalize the beach and Bush highlights the potential to stimulate civic engagement in public planning processes While local governments defer to booster and lobbying interests pushing for destination casinos and boat shows Bush calls for a land ethic that connects people to the local environment He seeks to shift the local political divisions beyond established interest groups and neoliberalism to a broader vision that simplifies human needs and reconnects people to fundamental values such as health A place of fellowship relaxation and interaction with nature this beach Bush argues offers a common ground of hope for a better future *Vintage Miami Beach Glamor* Deborah C Pollack, 2019-08-12 This history details the tumultuous lives of Miami Beach's mid twentieth century jet set and features archival photos From roughly 1930 to 1960 Miami Beach attracted an exclusive colony of socialites who mixed with Hollywood celebrities and dignitaries such as Winston Churchill as effortlessly as tonic mixes with gin Elizabeth Taylor announced her ill fated engagement to the son of a former ambassador in Miami Beach Other movie stars such as Veronica Lake were filmed in the enclave Beautiful model Bab Beckwith the first Orange Bowl Parade queen dated John F Kennedy while he was in Miami in 1944 Speedboat king Gar Wood bought his mistress a 100 000 bayfront home and then sued to force her to vacate the property A tumultuous affair between John Jacob Astor VI and Lucille Stiglich led to the young model serving time in the Miami Beach jail Deborah C Pollack delves into an era filled with excitement style humor and panache

Land of Sunshine, State of Dreams Gary R Mormino, 2008-09-01 Florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end As recently as mid century on the eve of Pearl Harbor Florida was the smallest state in the South At the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the American vernacular space coast climate control growth management retirement community theme park edge cities shopping mall boomburbs beach renourishment Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day's walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida's transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt

Welcome to Fairyland Julio Capó Jr., 2017-10-03 Poised on the edge of the United States and at the center of a wider Caribbean world today's Miami is marketed as an international tourist hub that embraces gender and sexual difference As Julio Capó Jr shows in this fascinating history Miami's transnational connections reveal that the city has been a queer borderland for over a century In chronicling Miami's queer past from its 1896 founding through 1940 Capó shows the multifaceted ways gender and sexual renegades made the city their own Drawing from a multilingual archive Capó unearths the forgotten history of fairyland a marketing term crafted by boosters that held multiple meanings for different groups of people In viewing Miami as a contested colonial space he turns our attention to migrants and immigrants tourism and trade to and from the Caribbean particularly the Bahamas Cuba and Haiti to expand the geographic and methodological parameters of urban and queer history Recovering the world of Miami's old saloons brothels immigration checkpoints borders nightclubs bars and cruising sites Capó makes clear how critical gender and sexual transgression is to understanding the city and the broader region in all its fullness

Voices from a Black Miami Neighborhood Sharony Green, 2025-10-10 This Palgrave Pivot is a personal and universal history of gain and loss Via memoir and oral histories Sharony Green a native of Miami with ancestral roots in the American South and the Bahamas sheds light on ups and down of African American residents before and after the Second World War The author uses the Baa Haas an outlying community in Miami Dade County a region that is also a gateway to

Caribbean and Latin America as a starting place to think through such things As early as the New Deal era white powerbrokers desired to relocate people of African descent from the lucrative waterfronts to a desolate and sandy area about twenty miles northwest of Miami s downtown This community was later nicknamed the Baa Haas presumably because its nearby prehistoric beach resembled California s Bajas beaches Whether spelled Baa Haas Bajas or Bahas the tiny neighborhood whose biggest landmark nowadays is Hard Rock Stadium is noteworthy It was not until whites themselves settled there first beginning in the fifties with the help of the 1944 GI bill that people of African descent aided by the Fair Housing Act of 1968 at last moved there Some arrived from older Miami communities like Liberty City Overtown and Coconut Grove or even elsewhere in the States Essentially two federal initiatives collided with positive gains for the oppressed As people increasingly find themselves displaced owing to gentrification this book permits an opportunity for readers to see what had been possible for prospective black homeowners

The Struggle for Black Freedom in Miami

Abigail Cloud,2014-04-07 In her first collection of poems Abigail Cloud draws inspiration from nineteenth century European Romantic ballets which often portrayed scorned females as mystical spirits such as sylphs shades and wilis Some of these creatures seduced men into dancing until they died punishment for inconstancy or lured them into love For Cloud the dark gravity that holds these enchanters to the earth is the same as our own and thus these demons are as everyday as air Sylph filters our world through the lenses of dance folklore and history revealing our contemporary lives to be dreamlike and prismatic In the blink the mouse spent to disappear I loved you avows the sylph The cost of her ascension and ours is steep our price speech our forgetting breath Such are the stakes in this complex seductive and stunning debut

Theatre Symposium, Vol. 31 Chase Bringardner,2024-06-21 A new issue of the longstanding theatre journal documenting conversations that traverse disciplinary boundaries The essays in the thirty first volume of Theatre Symposium traverse disciplinary boundaries to explore what constitutes the popular in theater and performance in an increasingly frenetic and mediated landscape Amid the current resurgence of populist discourse and the enduring impact of popular culture this volume explores what is considered popular how that determination gets made and who makes it The answers to these questions shape the structures and systems of performance in an interaction that is reciprocal intricate and multifaceted Productions often succeed or fail based on their ability to align with what is popular sometimes productively sometimes clumsily sometimes brazenly and sometimes tragically In our current moment what constitutes the popular profoundly affects the real world politically economically and socially Controversies about the electoral college system hinge on the primacy of the popular vote Streaming services daily update lists of their most popular content and base future decisions on opaque measures of popularity Social media platforms broadcast popular content across the globe triggering new products social activism and political revolutions The contributors to this volume engage with a range of contemporary and historical examples and argue with clarity and acuity the interplay of performance and the popular Theatre and performance deeply

engage with the popular at every level from audience response to box office revenue The variety of methodologies and sites of inquiry showcased in this volume demonstrates the breadth and depth of the popular and the importance of such work to understanding our present moment onstage and off

The Magic of Dreams Eleanor Lopes Akahloun,2014-11-22 The Magic of Dreams An American Diplomat s Journey relays the story of a retired American diplomat who served in the U S Foreign Service for forty three years Eleanor L

Akahloun shares a remarkable personal and professional journey from humble yet inspiring beginnings in her tightly knit Cape Verdean American community in Massachusetts. Her firsthand account of working with the U S State Department provides a peek into her colorful adventures and valuable lessons learned from her travels across all seven continents. This book is an affirmation that dreams are magical, that there is beauty amidst challenges in chasing them. The memoir is written in a question and answer format with a perfect blend of wit, intrigue, and light humor. *The Magic of Dreams: An American Diplomat's Journey* is a fascinating read that will leave the readers inspired. Fascinating Story about a Remarkable Woman. September 13, 2015. By M E Norris. I thoroughly enjoyed reading Eleanor Penny Lopes Akahloun's memoir. It is a fascinating story about a remarkable woman. Ms Akahloun, a Cape Verdean American, devoted 43 years of her life to serve as a career diplomat in the U S Foreign Service. She joined the Foreign Service at a time when the institution lacked diversity among its diplomatic corps. She overcame tremendous odds through perseverance, hard work, and a positive outlook, characteristics which would help her tackle challenges throughout her life. Ms Akahloun is someone who believes that we all have the capacity to enjoy life to the fullest. Her story is inspiring without being corny or unreal. Anyone who reads her book will take heart, no matter what their race, creed, gender, or age. The format of the book is akin to a long interview. The author begins by relating her family background, including the astounding story of how her grandfather journeyed to America from Cape Verde. She also tells us about her parents, remarkable individuals who worked and loved hard, providing the author with a nurturing and disciplined environment. Most of the rest of her book is about her life and adventures in the various countries in which she lived and served. These included Morocco, where she met her husband, Uruguay, Kenya, and China. The author intersperses the story of her life with interesting information on the political and economic situation of the country in which she was posted, as well as the U S foreign policy goals in the country. This makes for an enriching history lesson without bogging readers down in too much detail. I hope that many people will read Ms Akahloun's story and will be as strengthened and nourished as I was in reading it. American Book Publishing Record, 2007.

When people should go to the ebook stores, search opening by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will very ease you to see guide **It Happened In Miami The Magic City An Oral History** as you such as.
