Wounded Leaders Nick Duffell, 2016-08-24 Political leaders in Britain are consistently drawn from a class born to be educated away from their families in institutions elite boarding schools This has a direct effect on their

ability to love to relate to make good judgments and to develop the necessary leadership qualities for today's world. In this controversial and highly acclaimed book, the author guides the reader along the elite path through boarding school and Oxbridge to government, unpacking what he calls the Entitlement Illusion. Central to the Illusion is a uniquely British phenomenon: an industrialised process for turning out servants of the Empire that has been unwilling to change with the times. It was deified in the Victorian Rational Man Project and normalised by the British public who still buy into the trance. Up-to-date evidence from Neuroscience shows what a poor training for leadership this actually is. *Barefoot in the Boardroom* Shara Hutchinson, 2022-05-03 *Barefoot in the Boardroom* is a practical change management manual for executives looking for a proven methodology that can break down a huge vision into manageable chunks.
