Its Not Mean If Its True More Trials From My Queer Life:

OK2BG Jack Dunsmoor, 2015 **OK2BG** is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in **OK2BG** is to read reassess before you run asunder **The Advocate** ,2001 [Full Circle](#) Michael Thomas Ford, 2007-08-01 From the author of *Looking for It* a heart attack forces three gay friends to reunite and one to reflect on their five dramatic decades of friendship History professor Ned Brummel is living happily with his partner of twelve years in small town Maine when he receives a phone call from his estranged friend Jack telling him that another friend Andy is very ill and possibly near death As Ned boards a plane to Chicago on his way to his friend s bedside he embarks on another journey into memory examining the major events and small moments that have shaped his world and his relationships with these two very different very important men Growing up together through the restrictive 1950s and confusing 60s Jackson Jack Grace and Ned Brummel took solace in their love for each other But once they arrive at college in 1969 and meet handsome farm boy Andy Kowalski everything changes Despite Andy s apparent heterosexuality both Jack and Ned fall hard for him straining their close friendship Soon the three men will become involved in a series of intense liaisons and bitter betrayals coming together and flying apart as they alternately hurt love shape and heal one another over the course of years From the heady drug and sex fueled days of San Francisco in the wild seventies to the haunting specter of AIDS in the eighties and the righteous activism of the nineties their relationship transforms and grows reflecting the changes going on around them Now together again in the most crucial and intimate of settings Ned Jack and Andy have another chance to confront the damage of the past and embrace the bonds of friendship and love that have stood the test of time Praise for *Full Circle* Impactful Real Ford s beautiful story makes it all seem possible and believable T *Last Summer* Michael Thomas Ford, 2012-12-10 Michael Thomas Ford delivers a triumphant first novel about a group of gay men looking for love losing the past and finding themselves in the bars and on the beaches of Provincetown Josh Felling has always been a romantic up until the moment his lover Doug announced that he d had an affair with a guy from their gym Now with his life playing out like a very bad movie of the week Josh impulsively heads to the Cape for a few days long enough to figure out where his relationship what s left of it might be going But the summer has other plans for Josh and his trip to P town will bring bigger changes than he ever

imagined With its windswept dunes lazy summer days and starry nights filled with possibilities Provincetown holds special appeal for those who call it home and for those who come seeking its open welcome People like Reilly Brennan son of an old P town family whose days are caught up in wedding plans even as his nights are increasingly taken over by heated fantasies about other men Wide eyed blond haired All American Toby Evans an escapee from the Midwest ready to spend the summer in the equivalent of gay boot camp for anyone who will tutor him Elegant Emmeline age unknown a southern belle straight out of Faulkner with a mean drag act and almost enough money for her permanent gender transformation Ty Rusk one of Hollywood s hottest new stars hiding an ages old secrets about to explode Weaving in and out of these and other lives like the concierge of a Grand Hotel Josh is in for the summer of his life a time of turning points and bridges burned of second chances and new beginnings of renewal and hope that will bring him closer to becoming the man he needs to be This is a cut above more mainstream gay fiction offerings thanks to Ford s crisp prose and snappy contemporary dialogue the sandy barefoot friendly setting morphs all the melodrama into a satisfying beach book and a pleasant fiction debut for Ford Publishers Weekly

Looking For It Michael Thomas Ford, 2012-07-19 Mike Monaghan is the bartender at the Engine Room a meeting place for the small but thriving community of gay men in Cold Falls New York As Mike pours beer wipes glasses and hears everything he s also witness to the men who come here looking for what they need sex direction friendship spiritual fulfillment and love People like Stephen Darby As an accountant he knows many secrets But Stephen has his own secret one he s never been able to share with anyone close to him Being the perfect son costs him dearly and now it may take from him the one man he longs for Pete Thayer Playing it straight Pete takes out his frustrations on transmissions and engines during the day then spends his nights trying to quench his needs through anonymous sex But once the thrill of the forbidden begins to fade what will he be left with John and Russell The golden couple in town has the ideal relationship everyone wants But behind the scenes their storybook marriage is on the verge of facing some explosive trials that will shake both men completely Father Thomas Dunn More and more the gentle priest is feeling a need to express the secret desires that conflict with his devotion to the church sending his faith into a tailspin and making him question what he really wants from life Simon Bird He s a fixture in town an old queen everyone finds amusing and entertaining Still mourning the loss of his longtime lover Simon yearns to find love and a place in a culture that worships youth and beauty As Mike hands these men their drinks he marvels at their determination strength and foolishness But most of all he begins to question his own dissatisfaction pondering what s missing from his own life and what risks he may have to take to find fulfillment Looking For It is an extraordinarily human tale of community friendship and the search for happiness With unflinching honesty keen insight and his trademark humor Michael Thomas Ford weaves together the unforgettable stories of these seven men chronicling their dreams hurts heartbreaks joys and hopes while taking readers on an emotional journey to find what it is we re all looking for
