Its Our Turn A Collection Of Lgbt Stories:

Elsie Dinsmore: Complete Series (28 Books in One Edition) Martha Finley, 2023-12-30 Martha Finley's Elsie Dinsmore Complete Series is a seminal collection of 28 interlinked narratives that chronicle the life journey of a virtuous young girl navigating the challenges of 19th century America. Written in an accessible yet lyrical style, Finley combines elements of sentimentality and didacticism, providing readers with thought-provoking explorations of faith, morality, and the trials of adolescence. The series is notable for its rich character development and vivid depictions of familial relationships, reflecting the broader societal values and expectations of women during this period. Martha Finley, born in 1828, was a prolific author and a member of the Holiness movement, which undoubtedly influenced her writings. The moral fortitude and religious principles displayed in Elsie Dinsmore echo Finley's own beliefs and the pedagogical methods of her era, aiming to instill ethical values within her young audience. Her experiences as a teacher and her reformist leanings serve as a backdrop to the character of Elsie, making this series not only a tale of personal growth but also a commentary on societal norms. This complete series is highly recommended for readers interested in historical fiction, children's literature, and moral tales. Finley's enduring themes of resilience, compassion, and faith resonate beyond their time, offering vital lessons for contemporary readers. Whether for academic study or leisurely reading, this comprehensive edition is an indispensable treasure trove for those drawn to classic literature.

Our Witness Brandan J. Robertson, 2018-03-27 The stories of LGBT Christians are not untold but have often been unheard by faith leaders and communities. While so much of the conversation about LGBT inclusion has focused on theology and ideology, few have actually interacted with the raw, real stories and experiences of LGBT Christians. In this volume, LGBT Christian activist and theologian Brandan Robertson has brought together stories of LGBT Christians from around the world, combined with his theological insights, to create a powerful book that will challenge, convict, and inspire readers from all theological backgrounds to examine their posture and message toward the LGBT community and embrace the revival that the Holy Spirit is igniting among queer Christians around the world.
