

A gravel path splits into two directions on a green field under a blue sky. The path is made of light-colored gravel and curves to the left and right, leading into a vast green field. The sky is a clear, vibrant blue with a few wispy white clouds. The overall scene is bright and open, symbolizing choice and possibility.

spirit **An Earthly Journey: The Story of One Soul's Evolution** James Samuelson, 2014-06-25 On the surface this book is the story of the author's sixty year journey that takes him from the Midwest to Arizona and finally to Virginia. An Earthly Journey tells of those who impacted him on his journey. The surface story though important is only one piece of the puzzle. The story is also about a dog and higher dimensional entities, a very special piece of land and a remarkable woman. It is a love story that began long ago existing in many lifetimes. It is James's story and it is Angelica's story and the book could not exist without both of them. This book is a doorway, a glimpse into a reality which is contrary to third dimensional conditioning, an example of the possible. It is an invitation for readers to understand their own journeys, to put together all the random events of their lives and find the connections. Ultimately the book is what you discover it to be and hopefully what it ignites within you.
