perhaps in one sense the most effective French influence since Voltaire His best known work had probably a wider influence in modifying religious opinion in Christendom than any other single treatise of modern times though it was combated alike by the orthodox and the heterodox In the light of later inquiry it is here sought to bring the debate under a scientific view and at the same time to form a just estimate of Renan's total work and personality *Life of Ernest Renan* Francis Espinasse, 1895

Excerpt from The Life of Ernest Renan Ernest Renan was born at Treguier in the Cotes du Nord on the 28th of February 1823 For the third time in sixty years Brittany gave birth to a man child who should transform and renew the religious temper of his times Chateaubriand and Lamennais were scarcely past their prime when the young Renan first went to school in Treguier In him as in them the racial strain is strong Under the exuberance of Chateaubriand the revolt of Lamennais the sentiment and irony of Renan we meet the same irregular genius mobile and sensitive beyond the like of woman yet in the last resort stubborn as Breton granite under its careless grace of flowers All these were great writers but in their style as in their intellectual quality they have small share in that Latin order which is the birthright of a Bossuet a Racine or even a Voltaire About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Renan's Letters from the Holy Land** Ernest Renan, 2012-05-29 Hardcover reprint of the original 1904 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Renan Ernest Renan's Letters From The Holy Land The Correspondence of Ernest Renan With M Berthelot While Gathering Material In Italy And The Orient For the Life of Jesus Tr By Lorenzo O Rourke Indiana Repressed Publishing LLC 2012 Original Publishing Renan Ernest Renan's
