Australia's Foreign Aid Dilemma Jack Corbett,2017-03-16 The Australian aid program faces a fundamental dilemma how in the absence of deep popular support should it generate the political legitimacy required to safeguard its budget and administering institution Australia s Foreign Aid Dilemma tells the story of the actors who have grappled with this question over 40 years It draws on extensive interviews and archival material to uncover how court politics shapes both aid policy and administration The lesson for scholars and practitioners is that any holistic understanding of the development enterprise must account for the complex relationship between the aid program of individual governments and the domestic political and

bureaucratic contexts in which it is embedded If the way funding is administered shapes development outcomes then understanding the court politics of aid matters This comprehensive text will be of considerable interest to scholars and students of politics and foreign policy as well as development professionals in Australia and across the world **Our Rich Family** ,1996 **Surgery of the Trachea and Bronchi** Hermes C. Grillo,2004 Comprehensive text covers the anatomy physiology and diseases affecting the trachea The first part presents basic information on diseases of the trachea diagnosis information and results of treatments The second part is devoted to surgical procedures and describes special problems and management strategies **Industrial Transmission and Conveying** ,1924 **Vascular Disease in Women** Caitlin Hicks,Linda Harris,2021-07-16 Vascular Disease in Women highlights the epidemiology natural history and treatment of vascular disease specifically as it pertains to women The book provides a thorough overview of what is known and what is now known about vascular disease in women and highlights opportunities for further education and research on this topic The book will serve as an essential reference for both clinicians and researchers discussing the disease prevalence treatment options and treatment outcomes for vascular disease in women and explores the need for future research in vascular disease specifically as it pertains to women Provides a comprehensive overview of vascular disease as it affects women Includes contributions from world renowned vascular surgeons of both genders who have a vested interest in women s vascular health Covers what is known and not known about vascular disease in women prompting further research in the area for what is still unknown
