

Mathematical Sciences Research Institute Summer Session 2023-24 July 1-15, 2023

The Mathematical Sciences Research Institute (MSRI) is a leading center for mathematical research and education. The Institute is located on the campus of the University of California, San Diego, and is a part of the University's research and educational mission. The Institute is a non-profit organization and is supported by the National Science Foundation, the University of California, and private donors. The Institute's research areas include algebraic geometry, algebraic topology, differential geometry, and mathematical physics. The Institute also offers a variety of programs for students, including summer sessions, postdoctoral fellowships, and research fellowships. The Institute's summer sessions are a major part of its research and educational mission, and are held each year from July 1 to July 15. The sessions are open to students, postdoctoral fellows, and research fellows, and are a great opportunity for students to work with leading researchers in their field. The sessions are held in a beautiful setting on the campus of the University of California, San Diego, and are a great way to spend the summer months. The sessions are a great opportunity for students to work with leading researchers in their field, and to learn from their experience.
