ENC Focus, 2000 **Complete Learning Disabilities Directory 2010** Laura Mars-Proietti, Richard Gottlieb, 2009. This is the most comprehensive directory of Programs, Services, Curriculum Materials, Professional Meetings, Resources, Camps, Newsletters, and Support Groups for teachers, students, and families concerned with learning disabilities. This edition is distinguished by its recognition by the National Center for Learning Disabilities as well as a Glossary of Terms. This information-packed directory includes information about Associations, Organizations, Schools, Colleges, Testing Materials, Government Agencies, Legal Resources, and much more. For quick, easy access to information, this directory contains three indexes: Entry Name Index, Subject Index, and Geographic Index. With every passing year, the field of learning disabilities attracts more attention, and the network of caring, committed, and knowledgeable professionals grows every day. This directory is an invaluable research tool for these parents, students, and professionals.

Handbook of Research on Educational Communications and Technology J. Michael Spector, M. David Merrill, Jan Elen, M. J. Bishop, 2013-07-03. The 4th edition of the *Handbook of Research on Educational Communications and Technology* expands upon the previous 3 versions, providing a comprehensive update on research pertaining to new and emerging educational technologies. Chapters that are no longer pertinent have been eliminated in this edition, with most chapters being completely rewritten, expanded, and updated. Additionally, new chapters pertaining to research methodologies in educational technology have been added due to expressed reader interest. Each chapter now contains an extensive literature review, documenting and explaining the most recent outstanding research, including major findings and methodologies employed. The *Handbook* authors continue to be international leaders in their respective fields; the list is cross-disciplinary by design, and great effort was taken to invite authors outside of the traditional instructional design and technology community.
