It Must Have Been Moonglow Phyllis Greene, 2001-12-18 In December 1998 after fifty six years of marriage Phyllis Greene went from being part of the lifelong unit of Phyllis and Bob to being just plain Phyllis To deal with her feelings she began keeping a journal Unable to find books with a personal perspective on widowhood she realized her own reflections could speak to the thousands of women like her each one with very different yet very similar day to day experiences It Must Have Been Moonglow chronicles the emotional roller coaster of her first years alone in a collection of brief essays like diary entries that capture the sadness the humor and the triumphs all widows encounter She writes about the challenges presented by a quiet empty house and how best to fill the hours Your heart may feel like stone but your mind needs to keep going she says With wit and insight she muses about the logistics of an evening out with a group of single older women none of whom drive very well about handling the check when going to dinner with a couple about marketing for one and about the miracle of friendships on the Internet and the blessings of family It Must Have Been Moonglow is an intimate candid and engaging memoir not about grief but about inspiration and strength **It Must Have Been Moonglow** Phyllis
