Jack Dawson Paintings:

Seek & Find | a Series of Paintings by Jack E. Dawson Jack Dawson,2021-06-05 Jack E Dawson has been in the art field since the early 1970 s His experience includes painting in watercolor oil and acrylics as well as sculpture One of his most notable works is The Praying Hands Statue a 32 foot tall sculpture located on Highway 71 in Webb City Missouri In 1999 he began his Seek and Find Series paintings that contain hidden images built upon the principles and teachings of the Word of God Just as God s treasures are in plain view for all who seek Christ and believe in His promises so you will find meaningful images in Dawson s paintings Each one comes with an explanation of the symbolism Jack s wife Nancy along with their children was instrumental in launching Bittersweet Gallery which made these works available in prints across the country Jack s desire is that the art will encourage viewers to seek the Lord with sincerity and commitment *The Solaris Effect* Steven Dillon,2010-01-01 What do contemporary American movies and directors have to say about the relationship between nature and art How do science fiction films like Steven Spielberg s A I and Darren Aronofsky s represent the apparent oppositions between nature and culture wild and tame Steven Dillon s intriguing new volume surveys American cinema from 1990 to 2002 with substantial descriptions of sixty films emphasizing small budget independent American film Directors studied include Steven Soderbergh Darren Aronofsky Todd Haynes Harmony Korine and Gus Van Sant as well as more canonical figures like Martin Scorsese Robert Altman David Lynch and Steven Spielberg The book takes its title and inspiration from Andrei Tarkovsky s 1972 film Solaris a science fiction ghost story that relentlessly explores the relationship between the powers of nature and art The author argues that American film has the best chance of aesthetic success when it acknowledges that a film is actually a film The best American movies tell an endless ghost story as they perform the agonizing nearness and distance of the cinematic image This groundbreaking commentary examines the rarely seen bridge between select American film directors and their typically more adventurous European counterparts Filmmakers such as Lynch and Soderbergh are cross cut together with Tarkovsky and the great French director Jean Luc Godard in order to test the limits and possibilities of American film Both enthusiastically cinephilic and fiercely critical this book puts a decade of U S film in its global place as part of an ongoing conversation on nature and art *British and Irish Paintings in Public Collections* Christopher Wright,Catherine May Gordon,2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of de accessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting **A Day for Joy** Keith Clouten,2022-03-07

Many people think of the Sabbath as a requirement even a burden and one that is difficult to accomplish Can the Sabbath day instead be a gift a blessing even joyful In this book Keith Clouten looks at the biblical background and the theological underpinnings of the Sabbath in order to understand why such a day was instituted what we can learn from it and how we can benefit from this gift of God This is not a theological treatise or an extended argument about days Rather working from his own experience and scriptural knowledge the author helps the reader learn from the command and to experience its joy as God s gift It is a special experience for a reader to listen while an author talks about an object of love and even passion In this book you may discover such feelings about a day This book is for anyone who wants to experience God s presence more fully and to understand our relationship to God s creation through history and in the present James Cameron Alexandra Keller,2014-05-01 Featuring excerpts from interviews and frame by frame analysis of important scenes from films such as Terminator Aliens True Lies and Titanic Alexandra Keller provides the first critical study of James Cameron as an auteur Considering in particular his treatment of gender and preoccupation with capital both in his films and his filmmaking practice Keller offers an overview of Cameron s work and its significance within cinematic history Sections in the book include Chronology Key Debates Key Scenes Sources Resources This is a fascinating insight into the work of one of Hollywood s top directors and will prove invaluable to students of film studies and media studies all over the English speaking world
