

Op. III

THE following plates were sketched from an old strip of work done in deep indigo worsted wool, with a rather lighter wool, both in colour and make, used in the fine buttonhole work and darning, of which there is much throughout the work. The design was a branching one, the flowers and leaves most of which appear in the following plates—are hanging from stems about a quarter of an inch thick done in herring-bone stitch, with the exception of the roses (plate 5) which have a thicker stem of their own in herring-bone, stem stitch and loops. The thistles (plate 3, No. 1) reproduced the same size as in the work, were watered about in groups of three, making a very pleasing contrast to the hanging roses (plate 6), whilst the roses reared their heads all along the bottom of the strip, but owing to the work having been cut, it was impossible to see how they joined their straight stalks to the branching ones above.

PLATE 1

- No. 1. Stem stitch outline; deeper work done in coral stitch, with a French knot filling in each alternate square. Four rows of buttonhole stitch at top of flower.
- No. 2. Stem-stitch, coral stitch and darning.
- No. 3. Buttonhole stitch, French knot and stem stitch.
- No. 4. Stem stitch and buttonhole stitch.
- No. 5. Coral-stitch. (These tendrils occurred all over the work and were very effective.)
- No. 6. Buttonhole stitch; leaves and stalk in stem stitch.
- No. 7. Stem stitch and loops.

Op. III
