needed it the most My father was instrumental in making me grow fond of animals He always kept me around animals My family too have always been hands on with the pets in the household Whether it was bathing feeding or taking care of these animals my family always ensured that the animals got the best of everything Our animals were the centre of all our activities There was not a single day that did not begin with a discussion about our pets What to feed them How to take care of a cat or dog that is ailing What is the most nutritious thing to feed them These were common dinner table conversations while I was growing up So needless to say I have had a lot of practical training with respect to taking care of different breeds of animals Sometimes I learnt from my family and sometimes your pet will just tell you what he or she needs Today I am in a very privileged place where I can share this information with pet lovers across the globe I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father my family and of course my beloved cats
