My Secret Diary Jacqueline Wilson, 2009-03-12 A wonderfully written and engaging teenage memoir read all about Jacqueline's problems with her family her first love her school life and her friends Read extracts from her real diaries and the stories she wrote as a teenager learn all about the music and books she loved her troubled school life and her parents difficult relationship Written in Jacqueline's usual and inimitable style this will be fascinating reading for her fans and for anyone who's interested in what life in the UK was like in the fifties and sixties *Girls, Texts, Cultures* Clare

Bradford, Mavis Reimer, 2015-05-29 This book focuses on girls and girlhoods texts for and about girls and the cultural contexts that shape girls' experience It brings together scholars from girls studies and children's literature fields that have traditionally conducted their research separately and the collaboration showcases the breadth and complexity of girl-related studies Contributors from disciplines such as sociology literature education and gender studies combine these disciplinary approaches in novel ways with insights from international studies postcolonial studies game studies and other fields Several of the authors engage in activist and policy development work around girls who experience poverty and marginalization Each essay is concerned in one way or another with the politics of girlhood as they manifest in national and cultural contexts in the everyday practices of girls and in textual ideologies and agendas In contemporary Western societies girls and girlhood function to some degree as markers of cultural reproduction and change The essays in this book proceed from the assumption that girls are active participants in the production of texts and cultural forms they offer accounts of the diversity of girls' experience and complex significances of texts by for and about girls *Secrets* Jacqueline Wilson, 2008-09-04 Then she grinned I grinned It was just as if we knew each other India lives in a HUGE house but hardly gets any attention from her parents She can't stand her mum and though she absolutely adores her dad he hasn't had much time for her lately Feeling lonely she seeks solace in her journal inspired by her heroine Anne Frank Treasure lives on the local council estate taken in by her loving and capable grandmother She's completely devoted to her nan but is haunted by the fear of her violent stepdad A chance meeting sparks a great friendship between the girls who become a bright spot in each other's lives When Treasure has to run away to avoid her stepfather India comes up with a hiding place She hasn't got a real secret annexe but she has got a hidden attic Another brilliant book by Jacqueline Wilson Scribbler
