Masters and Servants Pierre Michon, 2013-10-22 Short Stories Contemporary fiction Imagines decisive moments in the lives of five artists of different times and places Vincent van Gogh Francisco Goya Antoin Watteau Claude Lorrain and Lorentino a disciple of Piero della Francesca The author focuses on particular moments when artist and model collide whether that model is a person or a landscape inner or outer

After the Circus Patrick Modiano, 2015-10-27 One of the hallmarks of French author Patrick Modiano's writing is a singular ability to revisit particular motifs and episodes infusing each telling with new detail and emotional nuance In this evocative novel the internationally acclaimed author takes up one of his most compelling themes a love affair with a woman who disappears and a narrator grappling with the mystery of a relationship stopped short Set in mid sixties Paris *After the Circus* traces the relationship between the narrator a young man not quite of legal age and the slightly older enigmatic woman he first glimpses at a police interrogation The two lovers make their uncertain way into each other's hearts but the narrator soon finds himself in the unsettling ominous presence of others Who are these people Are they real or simply evoked Part romance part detective story this mesmerizing book fully demonstrates Modiano's signature use of atmosphere and suggestion as he investigates the perils and the exhilaration of young love

Paris Nocturne Patrick Modiano, 2015-10-27 This uneasy compelling novel begins with a nighttime accident on the streets of Paris The unnamed narrator a teenage boy is hit by a car whose driver he vaguely recalls having met before The mysterious ensuing events involving a police van a dose of ether awakening in a strange hospital and the disappearance of the woman driver culminate in a packet being pressed into the boy's hand It is an envelope stuffed full of bank notes The confusion only deepens as the characters grow increasingly apprehensive meanwhile readers are held spellbound Modiano's low key writing style his preoccupation with memory and its untrustworthiness and his deep concern with timeless moral questions have earned him an international audience of devoted readers This beautifully rendered translation brings another of his finest works to an eagerly waiting English language audience *Paris Nocturne* has been named a perfect book by *Lib*ration while *L Express* observes *Paris Nocturne* is cloaked in darkness but it is a novel that is turned toward the light

Masters and Servants Pierre Michon, 2013-10-28 One of Pierre Michon's most powerful works this book imagines decisive moments in the lives of five artists of different times and places Vincent van Gogh Francisco Goya Antoine Watteau Claude Lorrain and Lorentino a little remembered disciple of Piero della Francesca Michon focuses on particular moments when artist and model collide whether that model is a person or a landscape inner or outer In the five separate tales he evokes the full passion of the artist's struggle to capture the world in images even as the world resists capture Each story is a small masterpiece that transcends national boundaries and earns its place among the essential works of world literature

A Treatise on the Law of Master and Servant Charles Manley Smith,2015-07-06 Excerpt from A Treatise on the Law of Master and Servant Including Therein Masters and Workmen in Every Description of Trade and Occupation With an Appendix of Statutes In this Edition in which a larger type than was used on former occasions has been adopted the Cases and Statutes

have been brought down to the end of 1884 The increased size of the Work is accounted for by the fact that in addition to the numerous decisions of courts of Law and Equity upon subjects discussed in the following pages which have taken place a great number of Statutes bearing upon the Law of Master and Servant have been passed since the last Edition of this Work was published most of which it is absolutely necessary to print in extenso to render the Work complete These Statutes are adverted to in the Introduction as well as discussed in the body of the Work It is to be regretted however that nothing appears to have been done by the Legislature towards consolidating the Statute Law relating to Masters and Servants a Great care has been taken in the preparation of this Edition in which the Author has been assisted by his son Ernest Manley Smith M A of the Inner Temple and Midland Circuit Barrister at law and it is believed that no Statute or Case of importance has been omitted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
