The Financial Times Essential Guide to Business Writing Ian Atkinson,2012 This book gives you the critical knowledge you need to make your writing more convincing compelling and persuasive It will also help you develop your writing skills for the future by showing you how to coach yourself so you can consistently improve your performance **The Elements of Business Writing** Gary Blake,Robert W. Bly,1992 Anyone who has ever had to write any business document from interoffice memo to fifty page proposal will find this the single most effective tool for producing clear concise and persuasive prose Equally useful to executives and support staff it shows how to write clearly and powerfully organize material and avoid errors and jargon [Better Business English: A Working Manual for the Business Writer \(1921\)](#) John Matthews Manly,John Arthur Powell,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Tested Writing Methods* Mike

Murach,2023-09-21 This book takes a top down approach to writing that will teach you all the writing methods that you need for success on the job What s hard to believe is that most of these methods aren t taught in high school or in college or in other books on writing In chapters 1 and 2 for example you ll learn how to use headings and subheadings to guide your readers and plan what you re going to write That s a critical skill for any document of two pages or more but you won t find anything about headings in most writing books In chapter 3 you ll learn how to write paragraphs that deliver one fully developed idea at a time That too is a critical skill because the paragraph is the primary unit of composition But most writing books have precious little to say about paragraphing On the other hand most writing books tell you far more than you need to know about writing sentences In contrast chapter 4 of this book uses a unique top down approach to show you how to write sentences that are easy to read and understand That way you can start with the skills that matter the most and then refine those skills one level at a time Chapters 5 and 6 continue this top down approach to writing With those skills in your skillset you re ready for chapter 7 It shows you when and how to use writing tools like ChatGPT that are driven by Artificial Intelligence As you will see these are powerful new tools but you need all the other skills in this book to get the most from them Last chapters 8 9 and 10 show you how to use the Microsoft Word features for writers templates styles the outline feature and the spelling and grammar checker If you don t already use these features you ll be glad you discovered them And if you don t already use Microsoft Word these chapters will show you why you should
