Case in Point MARC. COSENTINO,2020-09 **HBS Case Collection** ,1983 *The Harvard Business School Guide to Careers in Management Consulting* Harvard Business School,2000 Guide includes profiles of some 60 well known consulting firms a mailing list of recruiting contacts a selected bibliography of books and directories and a list of job posting websites

Harvard Business School Bulletin ,1997 The Harvard Business School Guide to Careers in Management Consulting Maggie Lu,2001 The 2002 edition of The Harvard Business School Guide to Careers in Management Consulting provides invaluable job search advice for the prospective management consultant Harvard Business School graduates students and faculty reveal firsthand insights into the industry describe what a consultant s work is really like outline current industry trends and offer guidelines for approaching the case study interview Also included are profiles of well known consulting firms a mailing list of recruiting contacts and a selective bibliography of relevant books and directories compiled by the Harvard Business School Career Resources librarian *Profits and Sustainability* Geoffrey Jones,2018-01-26 Are profits and sustainability compatible This book brings unique perspectives to this key debate by exploring the history of green entrepreneurship since the nineteenth century and its spread globally in industries including renewable energy organic food natural beauty ecotourism recycling architecture and finance The book uses the lens of the extraordinary and often eccentric men and women who defied convention and imagined that business could help save the planet rather than consume it The social and religious beliefs that drove many of these individuals are explored as the book looks at how they overcame huge obstacles to execute their strategies The green entrepreneurs seen here are shown to have created new markets and industries and driven innovations in sustainable practices even at times when most consumers and governments marginalized the entire subject The struggles of early pioneers appear to have been rewarded by the growth of environmental awareness among consumers business leaders and others in recent years but the Earth s environmental health continues to deteriorate If profits and sustainability have proved challenging to reconcile the book argues that one reason was how they were both defined Harvard Business School Career Guide ,1989 **Investment Management** Ramanna Vishwanath,Chandrasekhar Krishnamurti,2009-04-21 Sound investment decisions require an in depth knowledge of the financial markets and available financial instruments This book provides students and professionals with an understanding of the role and activities of an equity security analyst within the investment process Emphasis is on understanding the process of analyzing companies the valuation process and the challenges of achieving success in a highly competitive capital market The authors present a comprehensive compendium on the financial theory the empirical evidence and the mathematical tools that form the underlying principles of investment decisions *International Social Entrepreneurship* J. Mark Munoz,2010-06-14 The book is attractive to the target readers for the following reasons 1 there has been a growing interest in the topic of social entrepreneurship and yet there are limited academic materials this book will offer a concise straight

forward compilation of theories concepts and cases 2 with globalization students and executives have been empowered to make positive impact around the world this book will identify and discuss viable strategies 3 in today s business environment many students and executives have been responsive to global issues this book will provide fresh insights on citizenship in a global environment Leading Global Diversity, Equity, and Inclusion Rohini Anand,2021-11-30 This book offers five proven principles so multinational companies can advance diversity equity and inclusion with a nuanced understanding of local contexts across countries and cultures It s easy to fall into the trap of using a single culture worldview when implementing global DEI in organizations But what makes DEI change efforts successful in one country may have opposite unintended consequences in another How do companies find the right balance between anchoring their efforts locally while pushing for change that may disrupt existing power dynamics This is the question at the heart of global DEI work Along with practical advice and examples Rohini Anand offers five overarching principles derived from her own experience leading global DEI transformation and interviews with more than sixty five leaders to provide a through line for leading global DEI transformation in divergent cultures Local relevance understanding markets and acknowledging local beliefs regulations and history is essential for global success This groundbreaking book explicitly details how to take local histories laws and practices into account in DEI transformation work while promoting social justice worldwide *Vault Guide to the Top Publishing and Journalism Employers* Michaela R. Drapes,Nicholas R. Lichtenberg,2008 Get the inside scoop on the most important pharma and biotech companies with company overviews recent company news info on the hiring process and more This updated Vault guide features the top employers in the industry including Forbes Inc HarperCollins Publishers Inc Cox Enterprises Inc and Condi Nast Publications Inc *We the Possibility* Mitchell Weiss,2021-01-19 Can we solve big public problems anymore Yes we can This provocative and inspiring book points the way The huge challenges we face are daunting indeed climate change crumbling infrastructure declining public education and social services At the same time we ve come to accept the sad notion that government can t do new things or solve tough problems it s too big too slow and mired in bureaucracy Not so says former public official now Harvard Business School professor Mitchell Weiss The truth is entrepreneurial spirit and savvy in government are growing transforming the public sector s response to big problems at all levels The key Weiss argues is a shift from a mindset of Probability Government overly focused on safe solutions and mimicking so called best practices to Possibility Government This means public leadership and management that s willing to boldly imagine new possibilities and to experiment Weiss shares the three basic tenets of this new way of governing Government that can imagine Seeing problems as opportunities and involving citizens in designing solutions Government that can try new things Testing and experimentation as a regular part of solving public problems Government that can scale Harnessing platform techniques for innovation and growth The lessons unfold in the timely episodes Weiss has seen and studied the US Special Operations Command prototyping of a hoverboard for chasing pirates a heroin hackathon in opioid

ravaged Cincinnati a series of experiments in Singapore to rein in Covid 19 among many others At a crucial moment in the evolution of government's role in our society We the Possibility provides inspiration and a positive model along with crucial guardrails to help shape progress for generations to come **Digital Makeover** Béatrice Collin, Marie Taillard, 2021-02-17 Get an insider's perspective into how this 110 year old world leader in beauty built on its legacy to transform itself into a digital and tech powerhouse Digital Makeover How L'Oréal Put People First to Build a Beauty Tech Powerhouse examines L'Oréal's successful people driven digital transformation Professors and authors Beatrice Collin and Marie Taillard set out exactly how L'Oréal turned itself into a digital and tech powerhouse by building on its legacy to reimagine relationships inside the company and with its customers and partners Digital Makeover comprehensively describes L'Oréal's strategy including Maintaining market leadership in the face of disruption Believing in the transformative power of the organization its legacy and its people A social centric approach to beauty tech ecommerce and digital services The company's successful play for market dominance in China Case studies that showcase best practices for digital transformation across sectors Digital Makeover is perfect for anyone interested in business strategy marketing or digital transformation as well as businesspeople and leaders from inside and outside the beauty industry and belongs on the shelves of anyone with an interest in organizational transformation management leadership and digital strategies Why Startups Fail Tom

Eisenmann, 2021-03-30 If you want your startup to succeed you need to understand why startups fail Whether you're a first time founder or looking to bring innovation into a corporate environment Why Startups Fail is essential reading Eric Ries founder and CEO of Y Combinator and New York Times bestselling author of The Lean Startup and The Startup Way Why do startups fail That question caught Harvard Business School professor Tom Eisenmann by surprise when he realized he couldn't answer it So he launched a multiyear research project to find out In Why Startups Fail Eisenmann reveals his findings six distinct patterns that account for the vast majority of startup failures Bad Bedfellows Startup success is thought to rest largely on the founder's talents and instincts But the wrong team investors or partners can sink a venture just as quickly False Starts In following the oft cited advice to fail fast and to launch before you're ready founders risk wasting time and capital on the wrong solutions False Promises Success with early adopters can be misleading and give founders unwarranted confidence to expand Speed Traps Despite the pressure to get big fast hypergrowth can spell disaster for even the most promising ventures Help Wanted Rapidly scaling startups need lots of capital and talent but they can make mistakes that leave them suddenly in short supply of both Cascading Miracles Silicon Valley exhorts entrepreneurs to dream big But the bigger the vision the more things that can go wrong Drawing on fascinating stories of ventures that failed to fulfill their early promise from a home furnishings retailer to a concierge dog walking service from a dating app to the inventor of a sophisticated social robot from a fashion brand to a startup deploying a vast network of charging stations for electric vehicles Eisenmann offers frameworks for detecting when a venture is vulnerable to these patterns along with a wealth of strategies

and tactics for avoiding them A must read for founders at any stage of their entrepreneurial journey Why Startups Fail is not merely a guide to preventing failure but also a roadmap charting the path to startup success **Mastering the Case**
