He That Is Spiritual Lewis Chafer, Jawbone Jawbone Digital, 2018-02-07 Author's Preface The importance of the subject of this book is beyond estimation True spirituality is that quality of life in the child of God which satisfies and glorifies the Father It brings celestial joy and peace to the believer's own heart Upon it all Christian service depends Since God purposes to work through human means the fitness of the instrument determines the progress made There is general agreement that the daily life of Christians should be improved but improvement cannot be had other than in God's way Merely to exhort an unspiritual Christian is a loss of time and energy When that Christian becomes spiritual he will need no exhortation but himself becomes an exhorter both by precept and example Christians as a whole are satiated with ideals Their real difficulty is stated in the words How to perform that which is good I find not The divine way to sufficiency and efficiency must be understood and acted upon else we fail The Bible doctrine concerning the Christian's nature and daily practice and the relation of these to the death of Christ is subject to some disagreement It is not the primary purpose of this book to correct details of doctrine The object has been rather to state the outstanding revelation of the divine provision for the overcoming life May we be delivered from controversy over secondary things in the face of our present failure to walk as it becometh saints It is my prayer that this statement of the fact and force of the spiritual life may be helpful to those who are called upon to manifest Christ to a dying world and who hope to hear the Master say Well done Table of Contents Chapter 1 Three Classes of Men Chapter 2 The Ministries of the Spirit Chapter 3 The Filling of the Spirit or True Spirituality Chapter 4 Grieve Not the Holy Spirit Chapter 5 Quench Not the Spirit Chapter 6 Walk in the Spirit Chapter 7 An Analogy and the Conclusion
