Preaching to a Postmodern World Graham M. Johnston,2001-07-01 While growing churches dot our urban centers and country landscapes church goers and students today are actually less likely to maintain a Christian worldview than in the past In fact the majority of society does not even believe in objective truth A minister out of touch with this culture is like an uninformed missionary trying to teach in a foreign country To communicate God s Word effectively in the twenty first century teachers need to know how to connect with and confront an audience of postmodern listeners In Preaching to a Postmodern World Johnston shows pastors seminary students professors lay teachers and church leaders can reach the present age without selling out to it The book discusses how to distinguish between modernism and postmodernism understand postmodern worldviews change the style of preaching without compromising the substance take advantage of new opportunities provided by the cultural shift show an inattentive society the relevance of God s truth The author s keen insights into contemporary pop and media culture also help equip speakers to address today s listeners with clarity and relevance

*Your Identity in the Trinity* Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ

**95 Theses for a New Reformation** Aaron Hebbard,2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White

*The Gospel According to Micah* Dr. Micah L. Caswell, 2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we'd fail to understand and appreciate themes like the wrath of God Micah 2:3 and social justice Micah 6:8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward

progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of the Lord with the insights and commentary in *The Gospel According to Micah* **That Which They Can't See** David Van Brugge, 2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today **Pastoral Ministry** Deron J. Biles, Paige Patterson, Jason G. Duesing, 2017-11-01 Pastoral Ministry brings together the mandate of God the needs of the sheep and the model of the good Shepherd to uniquely inspire and equip you to fulfill your ministry as a shepherd **Becoming a Pastor Theologian** Todd Wilson, Gerald L. Kuruvilla describes the theological entity that is the intermediary between ancient text and modern audience and defines its crucial function in determining valid application Based on this hermeneutic he submits a new mode of reading Scripture for preaching a Christiconic interpretation of the biblical text a hermeneutically robust way to understand the depiction of the Second Person of the Trinity in Scripture In addition Kuruvilla s work provides a substantive theology of spiritual formation through preaching what it means to obey God the Christian s responsibility to undertake faith full obedience to divine demand and the incentives for such obedience all integral to understanding the sermonic movement from text to application Privilege the Text promises to be useful not only for preachers and students and teachers of homiletics but for all who are interested in the exposition of Scripture that culminates in application for the glory of God
