HEALING THROUGH PAST-LIFE REGRESSION . . . AND BEYOND

In this remarkable audio program, Mira Kelley will guide you through a past-life regression that allows you to experience other lives you have lived, receive emotional and physical healing, discover your life's purpose, understand your relationships, and receive guidance from your Higher Self. Along the way, Mira demonstrates the extraordinary skills she has shared with the likes of Dr. Wayne W. Dyer and Brian Weiss, M.D. (both of whom have featured her work in their own recent books).

Mira also includes a second CD of meditations, which will aid you in discovering how to restore the health and vitality of your body, awakening your beautiful essence, embracing the unconditional love that Source has for you, and recognizing that you truly deserve to express yourself to the fullest.

The result is a powerful experience that will help you manifest your best life yet!

Mira Kelley grew up in Bulgaria, where at the age of 13 she had a powerful regression experience. With great courage and trust in her heart, Mira followed her intuition and came to the United States for college. Following her graduation from law school, Mira practiced as a corporate and securities attorney at a large firm in New York City. A painful physical condition led her to rediscover the instantaneous emotional and physical healing available through past-life regression. Now Mira assists people in transforming their lives through regression.
