The Routledge Handbook of African Theology Elias Kifon Bongmba, 2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa As such it will be a hugely useful volume to any scholar interested in African religious dynamics as well as academics of Theology or Biblical Studies in an African context

Health, Human Rights and the United Nations Theodore Macdonald, Diane Plamping, 2018-04-19 In the light of impending environmental catastrophe people all over the world in all walks of life are becoming more aware of the pressing need to act globally The need to base our decisions and actions less on parochial

national advantage sequestered in hate and suspicion of other nation s playing the same game of Russian roulette have to give way to a new appreciation of the fact that our global village is indeed so very small and perilously frail We depend upon one another as never before and unless we insure the health and human rights of all we shall surely each perish individually In Health Human Rights and the United Nations Theodore H MacDonald carefully analyses the origin development and structure of the United Nations UN and its key agencies and considers its capacity to mediate the Universal Declaration of Human Rights He takes a detailed look into human rights abuses in Sudan s Darfur province Burma Liberia the Occupied Palestinian Territories and the United Kingdom By investigating the development of the World Health Organization WHO and the pressures being brought to bear upon it MacDonald exposes contradictions in the aims of both the WHO and the UN Does the current global political scene and its neoliberal policies nullify the work of both Is the UN fit for purpose Can drastic reforms result in equitable solutions Can a new trans national body be developed to arbitrate global trade health human rights and fiscal issues This remarkable book is ideal for anyone interested in international law human rights global health public health and health promotion Public health and health promotion professionals including international healthcare organisations care agencies and international charities will find the analysis enlightening It is also of great interest to policy makers and shapers in communities and government political activists and all those with an interest in equality and globalisation

The Human Rights Reader Walter Laqueur, Barry M. Rubin, 1990-01-30 A sourcebook and history on the issue of human rights Covers documents from the Magna Charta to the Vienna Accords and includes opinions of world thinkers

The Gender Imperative Betty A. Reardon, Asha Hans, 2018-07-27 This collection of essays by feminist scholar activists addresses the crucial problem of human security in a world of heavily armed militarized states It describes the gendered aspects of human security excluded from the realist militarism that dominates current security policy in most nation states The book deepens and broadens current security discourses encouraging serious consideration of alternatives to the present global security system that functions to advantage state security over human security a system the contributors perceive to be rooted in the patriarchal nature of the nation state This second edition will be of interest to academics and students of gender studies women s studies international studies development studies human rights security studies peace studies and peace education

Human Rights in the World Community Richard Pierre Claude, Burns H. Weston, 2006-10-04 This unique textbook seeks to promote students critical and analytical skills and to provide a teacher friendly resource featuring in depth scholarly introductions to each chapter multiple questions for discussion and reflection and an extensive bibliography and annotated filmography

Routledge Handbook on Human Rights and the Middle East and North Africa Anthony Tirado Chase, 2016-11-10 Recent events such as Iran s Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region s on the ground politics transnational intellectual debates and

global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

Human Rights Mark Goodale, 2008-10-20 This innovative reader brings together key works that demonstrate the important and unique contributions anthropologists have made to the understanding and practice of human rights over the last 60 years Draws on a range of intellectual and methodological approaches to reveal both the ambiguities and potential of the postwar human rights project Brings together essays by both contemporary luminaries and seminal figures to provide a rich introduction to the subject Supplemented with selected international human rights documents and links to websites on human rights

Pathologies of Power Paul Farmer, 2005 Pathologies of Power uses harrowing stories of life and death to argue that the promotion of social and economic rights of the poor is the most important human rights struggle of our times

Reproductive Justice Joan C. Chrisler, 2012-02-13 Every woman in the world has the right to control her own body plan her family receive good quality medical care and give birth to a healthy baby This book takes a comprehensive look at the status of women's reproductive rights from a transnational human rights perspective Reproductive justice is a relatively new term that underscores the fact that the existence of reproductive rights does not mean that women are able to exercise those rights For women unable to exercise their rights for any number of reasons a lack of available services where they live lack of money or health insurance to pay for services being forbidden by family members to seek services the reality is they have no choices to make and possess little if any control over their own bodies regardless of what the government states their rights are Reproductive Justice A Global Concern provides a comprehensive and integrated examination of the status of reproductive rights for the world's women covering a wide range of reproductive rights issues Topics include women's rights to determine their own sexuality and choose their own partners rape sex trafficking fertility treatments and other assisted reproductive technologies contraception and abortion maternal and infant mortality postpartum support and breastfeeding
