Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities      **Nine Marks of a Healthy Church** Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and

grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog  
AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can  
give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or  
told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be  
punished But God who loves us doesn't want us to sin He wants us to be like Him loving kind and good Just as a tadpole  
changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us  
except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He  
died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell  
God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a  
new creation the old has gone the new has come 2 Corinthians 5:17 God will change you on the inside to make you a totally  
new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the  
bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me  
from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and  
address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ
