Fuller, 2016-03-03 When Christ's Body Is Broken tells the stories of two congregations in conflict Although these churches had very different problems they faced similar struggles to articulate a faithful response to their concerns and to cope with the discord that threatened to tear their communities apart Pastoral theologian Leanna K Fuller shares these stories as a way of exploring the sources and dynamics of conflict in congregations She argues that at the heart of such conflict lies anxiety triggered by encounters with difference Bringing together resources from pastoral theology psychodynamic theory and social psychology Fuller offers a theological reframing of conflict through categories of diversity vulnerability and hospitality categories that she argues can encourage human beings to sit with the anxiety stirred by communal life and remain connected across differences This reframing provides fertile ground out of which Fuller imagines concrete practices designed for conflicted communities and their leaders      Congregational Fitness Denise W. Goodman, 2000-12-31 When serious conflict surfaces in a congregation lay people are usually stunned They feel frightened angry and helpless Congregational Fitness explores why congregations are prone to conflict and describes healthy behaviors lay people can practice to manage conflict constructively Goodman argues that since it is members of the congregation who carry on from one pastor to another it is important for them to know and practice positive behaviors continually rather than reacting out of emotion and anxiety to an unexpected situation Designed for use by individuals study groups and retreat

Hoppe,Kathy Hoppe,2020-10-08 While there are many books that address burnout in ministry there are few that speak to compassion fatigue The book is divided into three parts Part I The Beckoning Sea explains the perils of ministry the church as a family system the difference between burnout and compassion fatigue and risk factors for ministry leaders In Part II Finding Your Stroke the authors offer prevention advice for burnout compassion fatigue and managing church systems Part III The Rescue discusses the process of recovery beginning with rest and retreat and the minister s renewed calling The authors explain how intentionality building resiliency and finding connection bring healing A chapter is dedicated to clergy families Using the analogy of ocean swimming and the story of Jonah a reluctant preacher the authors weave a common theme through the narrative offering education understanding and hope while sharing the stories of ministry leaders who have survived the turbulent waters of pastoral caregiving Interim Ministry in Action Norman B. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices The Congregation in a Secular Age (Ministry in a Secular Age Book #3) Andrew

Root,2021-01-19 Churches often realize they need to change But if they re not careful the way they change can hurt more

than help In this culmination of his well received Ministry in a Secular Age trilogy leading practical theologian Andrew Root offers a new paradigm for understanding the congregation in contemporary ministry He articulates why congregations feel pressured by the speed of change in modern life and encourages an approach that doesn't fall into the negative traps of our secular age Living in late modernity means our lives are constantly accelerated and calls for change in the church often support this call to speed up Root asserts that the recent push toward innovation in churches has led to an acceleration of congregational life that strips the sacred out of time Many congregations are simply unable to keep up which leads to burnout and depression When things move too fast we feel alienated from life and the voice of a living God The Congregation in a Secular Age calls congregations to reimagine what change is and how to live into this future helping them move from relevance to resonance
