*Better Hearing* Instafo, Adam Mills, 2018-11-20 *Hidden Secrets To Restore Natural Hearing Ability* Do you have trouble hearing Do you make people repeat what they say Does your ear get sensitive to loud noises or do you still hear sounds even when it's silent having these common hearing disorders known as hyperacusis and tinnitus respectively Then you are one of the 466 millions of people around the world according to the World Health Organization who suffer from hearing loss Fret

not many people go about their days without realizing that they have some kinds of hearing impairment so aren't aware of how much they are actually hampered when it comes to common daily tasks nor living the full productive life that they could be due to the limitation of poor hearing. The problem is only going to get worse with our increasing use of audio electronic devices and an exploding population where everything within our immediate surroundings seems to be getting louder and louder. We no longer have the peace and quiet we need to avoid the danger of loud noises thus trying to put ourselves out of harm's way for hearing damage is ever becoming impossible. Simply put more people are slowly becoming deaf every day. What can one do against this growing noisy epidemic? You can fight back by discovering ways to protect your ears as well as even improve your hearing conditions by combining western and eastern alternative approaches. *Better Hearing* will show you how to strengthen your hearing and prevent hearing loss naturally. The ear exercises that you can perform to hear multiple sounds more distinctly. The habitual adaptations to incorporate to increase your hearing ability range. The best nutrition and supplements your body needs to sustain healthy hearing. The frequency level of sounds to determine what noises you can and can't hear. The advanced methods to relieving common hearing symptoms like tinnitus plus many more secrets that very few know about for hearing improvement. If you are already using a hearing aid you can strive to rely less on it. Even if you don't have any hearing issue you should start taking better care of your hearing now before it's too late. *Better your hearing today*      *Mayo Clinic on Better Hearing and Balance* Mayo Clinic, 2020-10-01 Comprehensive information on hearing loss tinnitus dizziness and other common ear problems from the experts at the renowned Mayo Clinic.
